Soaring Eagle Regional Park

Soaring Eagle Regional Park features 12 miles of trails that are regularly used by hikers, mountain bikers and equestrians. The wide and flat Pipeline Trail is a family favorite. Trail running competitions are quite common.

King County Parks partners with many volunteer groups to help maintain the trails and preserve the park's natural heritage.

Area

769 acres

Total trail length

12 miles

Uses

Hiking, horseback riding, mountain biking; easy walking down the pipeline trail.

Access

The main entry is on the **west side of the park** in Sammamish via 228th Avenue SE and SE 8th Street to the end of East Main Drive, where a paved parking lot can accommodate up to five horse trailers. The address is 26015 East Main Drive.

A second entry point is on the **south side of the park** at the end of Trossachs Boulevard via SE Duthie Hill Road. Parking is along Trossachs Boulevard.

A third entry is located on the **northwest corner of the park** via NE 8th Sreet to 258th Ave NE. There is limited street parking near a retention pond.

Another entry **from the south** is at the Beaver Lake Preserve along West Beaver Lake Drive.

Soaring Eagle Regional Park is served by Issaquah Highlands Park and Ride, and **Metro bus routes 216 and 219** along 228th Ave SE.

SOARING EAGLE

Soaring Eagle Regional Park is 760 acres of mature forests, wetlands, and wildlife habitat. Soaring Eagle sits above Patterson Creek on the edge of the Sammamish Plateau along the western flank of the Snoqualmie River Valley. This natural area provides sanctuary for black bear, bobcat, black tail deer and more than 40 species of birds.
