ARTICLE I PURPOSE

- 1.1 The intent and purpose of this Agreement is to promote the continued improvement of the relationship between the County and its employees by providing a uniform basis for implementing the right of public employees to join organizations of their own choosing and to be represented by such organizations in matters concerning their employment relations with the County and to set forth the wages, hours and other working conditions of such employees in appropriate bargaining units provided the County has authority to act on such matters and further provided the matter has not been delegated to any Civil Service Commission or Personnel Board similar in scope, structure and authority as defined in Chapter 108, Extraordinary Session, 1967, Laws of the State of Washington.

ARTICLE II NON-DISCRIMINATION

- 3.1 Recognition - The County recognizes the Council and each of the signatory Unions as the exclusive bargaining representatives for the classifications of work identified within Appendix "A" of this Agreement.
- 3.2 Union Membership - It shall be a condition of employment that all employees covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement shall remain members in good standing and those who are not members on the effective date of this Agreement, shall on the thirtieth (30th) day following the effective date of this Agreement, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or assigned into the bargaining unit on or after its effective date shall, on the thirtieth (30th) day following the beginning of such employment, become and remain members in good standing in the Union.
- 3.2.1 Nothing contained within this Article shall require an employee to join said Union who can substantiate that there exists bona fide religious tenets or teachings of a church or religious body of which the employee is a member, in which case an amount of money equivalent to the regular Union dues and initiation fee shall be paid to a non-religious charity mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the dues and initiation fee. The employee shall every thirty (30) days furnish proof that such payment has been made.

The Union shall refund to the County any amounts paid to it in error on account of the check-off provision upon presentation of proper evidence thereof.

- 3.4 The County shall notify the Union in writing within seven (7) calendar days from the date of hire of a new employee. Such written notification shall contain the new employee's name, social security number, address, home phone number, job classification, Department Division, and specific place of employment.

ARTICLE IV CLASSIFICATIONS AND RATES OF PAY

Time off shall be defined as the difference between the time the employee clocks out to end a shift and the time he clocks in to begin the succeeding shift.
- 5.2.1 In the event that an employee does not receive the minimum time off as specified within Section 5.2, the employee shall receive a forty-five cents (45¢) per hour premium in addition to his regular rate of pay for all time worked during the time periods specified in Section 5.2.
- 5.3 Work Schedules - Schedules of work shall be determined by events scheduled. Employees shall normally be provided with not less than thirty (30) days advance notice of the ensuing schedule.

Not less than forty-eight (48) hours advance notice of any schedule change shall normally be provided to employees affected by a change in the published work schedule. In the event that such advance notice is not received prior to a scheduled change, employees affected by the change shall be paid at the overtime rate (one and one-half times the employee's regular hourly rate of pay) for the first shift worked under the changed schedule.

ARTICLE VI OVERTIME AND PREMIUMS

- 6.1 Overtime - Employees on a five (5) day schedule shall be compensated at the rate of one and one-half (1-1/2) times the employee's regular hourly rate of pay for time worked in excess of eight (8) hours per day or forty (40) hours per week, or on a holiday recognized in this Agreement (in addition to the holiday pay).
- 6.1.1 Scheduled overtime work shall be offered to regular full-time employees prior to all other employees.

- 6.3 All overtime shall be authorized in advance by the Department Head or his designee in writing, except in emergencies. Saturday and Sunday work shall not be considered overtime when it is a regularly scheduled workday for the individual crew.
- 6.4 Callout Premium - A minimum of four (4) hours at the overtime rate shall be allowed for each callout. Where such overtime exceeds four (4) hours, the actual hours worked shall be allowed at the overtime rate.
- 6.4.1 A "callout" shall be defined as that circumstance when an employee has left the work premises without notice of being required to report back to work prior to his normally scheduled reporting time and is contacted by competent authority during his off-work period and requested to report back to work at an unscheduled time.
- 6.4.2 An employee who is called out before the commencement of his regular shift shall be compensated in accordance with the provisions of Section 6.4. - 7.3 Work performed on the holiday dates set forth within Section 7.1, shall be paid for at one and one-half (1-1/2) times the employee's regular straight-time hourly rate of pay in addition to the regular holiday pay.
- 7.4 Each employee shall receive two (2) additional personal holidays to be administered through the vacation plan. One day each shall be added to accrued vacation on the first of October and on the first of November of each year. These days shall be used in the same manner as any vacation day earned.

- 8.2 Vacation accrual shall date from the first working day in which the employee commenced such continuous service.

- 8.3 After six (6) months of full-time service a regular employee may, at the Department Head's discretion, be permitted to use up to one-half (1/2) of the accruing vacation (40 hours) as an essential extension of used sick leave. If an employee does not work a full twelve (12) months, any vacation credit used for sick leave must be reimbursed to the County upon termination.
- 8.4 The Department Head shall be responsible for scheduling the vacation of employees in such a manner as to achieve the most efficient functioning of the department. No employee shall be permitted to work for compensation for the County in any capacity during the time of paid vacation from the County service.
- 8.5 Any employee separating from County service who has not taken his earned vacation, if any, shall receive the hourly equivalent of his salary for each hour of earned vacation based upon the rate of pay in effect for such employee on the last day he actually worked; provided however, employees who are hired on or after January 1, 1985, who are eligible for participation in the Public Employee's Retirement System Plan I, shall not be compensated for more than two hundred forty (240) hours of accrued vacation at the time of retirement. For employees hired on or after January 1, 1985, vacation hours accrued in excess of two hundred forty (240) must be used prior to the employee's date of retirement or such excess hours shall be lost. When separation is caused by death of an employee, payment shall be made to the estate of such employee, or in applicable cases, as provided by State Law.

ARTICLE IX SICK LEAVE

- 9.1 All regular full-time employees shall accrue sick leave benefits at the rate of eight (8) hours for each month in County service, except that no employee shall earn sick leave credit during a calendar month in which he is absent without authorization or in which he is absent without pay more than three (3) working days.
- 9.2 Sick leave may be applied to absence caused by illness or injury of an employee. Sick leave may be used for medical, dental, or ocular appointments when absence during working hours for this purpose is authorized by the Department Head. In any instance involving use of a fraction of a day of sick leave, the minimum charge to the employee's sick leave account shall be one (1) hour. Additional sick leave shall be computed in whole, not fractional hours. The Department Head shall be responsible for control or abuse of the sick leave privilege. The employee may be required to furnish a certificate issued by a licensed physician or other satisfactory evidence of illness to the appointing authority.
- 9.3 An employee who enters the service of the County as a regular employee shall begin earning sick leave dating from the first of the month following the month in which the employee commenced continuous service, unless such commencement date was the first working day of a month, in which case, the first day of sick leave accrual shall date from the first of the month in which the service began.

- 9.4 Bereavement Leave and Family Care - A regular full-time employee shall be entitled to three (3) working days of bereavement leave a year due to death of a member of his "immediate family".
- 9.4.1 A regular full-time employee who has exhausted his bereavement leave shall be entitled to use sick leave in the amount of three (3) days for each instance when death occurs to a member of the employee's "immediate family". Three (3) sick leave days of absence from the job may be granted to an employee who is required to care for a member of his "immediate family" who is seriously ill. In cases of family care where no sick leave benefit exists, the employee may be granted leave without pay. In the application of any of the foregoing provisions, when a holiday or regular day off falls within the prescribed period of absence, it shall not be charged.
- 9.5 Sick leave shall not be used in lieu of vacation, but vacation or compensatory time off may be used in lieu of sick leave, after accrued sick leave has been exhausted.
- 9.6 No County employee shall be entitled to sick leave while absent from duty due to the following causes:
- Disability arising from any sickness or injury purposely inflicted or caused by willful misconduct.
 - Sickness or disability sustained while on leave of absence without pay.
 - Inability to properly perform required duties because of intemperance or intoxication (not to be construed as alcoholism).
- 9.7 Termination of an employee's continuous service except by reason of temporary layoff for lack of work or funds, shall cancel all sick leave accrued to the time of such termination. Should the employee resign in good standing and return to County employment within one (1) year, he shall have his accrued sick leave restored. No payment shall be made to any employee for unused sick leave accumulated to his credit at the time of termination of employment, regardless of the reason therefore, except as provided for in Section 9.12. The date of termination of employment shall be considered as the date certified by the Department Head as the last day worked and shall not include the equivalent time involved in any overtime or vacation payoff made at the time of termination. The provisions of this rule include termination of service by death.
- 9.8 For purposes of this Article, a member of the "immediate family" shall be construed to mean a person related by blood or marriage or legal adoption as follows: grandmother, grandfather, mother, father, wife, husband, daughter, son, sister or brother of the employee, or any relative continually living in the employee's household. Other distant relatives who have resided in the home for at least one (1) year shall also be construed as being members of the "immediate family".

- 9.9 Hospitalization of a member of the "immediate family" is a valid reason for sick leave under the following conditions:
- Up to one (1) day of absence may be authorized for an employee to be at the hospital on the day of an operation, on the day of the birth of his child, or
 - In the event of critical illness of a member of the "immediate family".
- 9.10 Sick Leave resulting from an employee's physical incapacity shall not be approved when the injury or illness is directly traceable to employment other than with the County.
- 9.11 Employees who must use sick leave as a result of alcoholism, substance abuse, or mental health problems must produce proof of seeking and receiving treatment in a recognized and approved treatment center. The County reserves the right to specify the treatment center.
- 9.12 The County shall reimburse those employees who have at least five (5) years of service and retire as a result of length of service or who terminate by death, twenty-five percent (25%) of their unused, accumulated sick leave to a maximum of thirty (30) days. All payments shall be made in cash, based upon the employee's base rate of pay, and there shall be no deferred sick leave payments.

ARTICLE X SENIORITY

- 10.1 "County Seniority" shall be defined as an employee's total length of service with the County, subject to conditions set forth within this Agreement.
- 10.1.1 "Departmental Seniority" shall be defined as an employee's total length of service within the Department.
- 10.1.2 "Bargaining Unit Seniority" shall be defined as an employee's total length of service within the departmental bargaining unit.
- 10.1.3 "Bumping Rights" shall be those rights exercised by more senior employees over less senior employees in matters restricted to job retention within the departmental bargaining unit.
- 10.2 In the event of a reduction-in-force, Bargaining Unit Seniority shall have greater weight than Departmental Seniority.
- 10.3 Where two (2) or more employees have the same seniority within the bargaining unit, then Departmental Seniority and if required, County Seniority shall apply.
- 10.4 An employee shall be entitled to Bargaining Unit Seniority when such employee shall have completed a probation period of six (6) consecutive months in a bargaining unit covered by this Agreement.

- 10.4.1 Seniority shall date back to the beginning of the six (6) month probation period, upon completion of same.
- 10.4.2 An employee who is laid off during his six (6) month probation period may be recalled to perform bargaining unit work. In the event such recall occurs within ninety (90) calendar days from the date of an employee's layoff, he shall be credited with all days previously worked for purposes of computing Bargaining Unit Seniority as set forth within Sections 10.4 and 10.4.1.
- 10.5 Seniority rights shall be forfeited for either of the following causes:
- Discharge for any justifiable cause.
 - Resignation; provided however, in the event an employee who has completed his six (6) month probation period is rehired within the bargaining unit within twelve (12) months from the date of his termination or resignation, that employee shall than be credited with Bargaining Unit Seniority credits previously existing on his last day worked.
- 10.6 Employees shall not suffer a loss of Bargaining Unit Seniority rights or accumulation of same during an absence caused by industrial disability. An employee who is unable to work because of a non-work related injury or illness shall not accumulate seniority during such absence after that absence exceeds his service credits relative to sick leave and vacation benefits.
- 10.7 Employees on an approved leave of absence without pay shall not accumulate seniority credits during such absence.
- 10.8 When an employee is, or has been promoted or transferred from the bargaining unit to another job so as to be excluded from coverage by this Agreement, such employee may be returned to the unit by the County and he shall resume his seniority which he had as of the date of promotion or transfer; provided however, in the event any such employee remains outside of the bargaining unit for a period exceeding six (6) months, he shall not have his Bargaining Unit Seniority restored upon his return to the bargaining unit.
- 10.9 Employees laid off shall be recalled in the inverse order of layoff; namely, those laid off last shall be recalled first.
- 10.10 Seniority lists established in accordance with the provisions of this Article shall be posted in the applicable work areas twice each year. At the time of posting a copy of such list shall be mailed by the County to the Union.

ARTICLE XI MEDICAL, DENTAL AND LIFE PLAN

- 11.1 The County shall maintain the current level of benefits under its medical, dental, vision and life insurance programs during the life of this Agreement except as may be otherwise provided for in Sections 11.3 and/or 11.4.
- 11.2 A newly hired regular employee shall be eligible for receipt of all benefits under the Employer's medical, vision and life insurance programs on the first day of the month following completion of three (3) months of continuous employment. A newly hired regular employee shall be eligible for receipt of all benefits under the Employer's dental insurance program on the first day of the month following completion of six (6) months of continuous employment.
- 11.3 The Employer shall pay an amount per month for each employee who opts to take the Group Health Cooperative Medical Plan in lieu of the Employer's existing Self-Funded Medical Insurance Program as is determined by the Joint Labor Management Insurance Committee.
- 11.4 There shall be established a Joint Labor Management Insurance Committee comprised of an equal number of representatives from the Employer and the Labor Union Coalition whose function shall be to review, study and make recommendations relative to existing medical, dental and life insurance programs. The Employer and the Union shall implement any changes in employee insurance benefits which result from any agreement of the Joint Labor Management Insurance Committee.

ARTICLE XII MISCELLANEOUS

- 12.1 An employee elected or appointed to office in a Union party to this Agreement which requires a part or all of his time shall be given leave of absence up to one (1) year without pay upon application.
- 12.2 All employees who have been authorized to use their own transportation on County business shall be reimbursed at the rate established by County Ordinance.
- 12.3 The County shall provide raingear for all employees working in inclement weather as needed.

ARTICLE XIII MANAGEMENT RIGHTS

- 13.1 The Union recognizes the prerogatives of the County to operate and manage its affairs in all respects in accordance with its responsibilities and powers of authority.
- 13.2 The County shall have the right to schedule overtime work as required and consistent with requirements of public employment.
- 13.3 Every incidental duty connected with operations enumerated in job descriptions is not always specifically described.

- 13.4 The County reserves the right to discipline and discharge for just cause.
- 13.5 The County reserves the right to layoff personnel for lack of work or funds; or for the occurrence of conditions beyond the control of the County; or when such continuation of work would be wasteful and unproductive.
- 13.6 The County shall have the right to determine reasonable schedules of work and to establish the methods and processes by which such work is performed.
- 13.7 No policies or procedures covered in this Agreement shall be construed as delegating to others or as reducing or abridging the following management responsibilities:
- The responsibility of the Division of Personnel for determining classification, status and tenure of employees, establishing rules, initiating promotions and disciplinary actions and certifying payrolls.
 - The responsibility of Department Heads governed by Charter provisions, Ordinances, and Administrative Guidelines for Career Service Employees which include, but are not limited to the following:
 - To suspend, demote, discharge, or take other disciplinary action against employees for just cause;
 - To relieve employees from duties because of lack of work, lack of funds, or for disciplinary reasons;
 - To determine methods, means, and employees necessary for departmental operations;
 - To control the departmental budget; and
 - To take whatever actions are necessary in emergencies in order to assure the proper functioning of the department.
- 13.8 Nothing in this Agreement shall be construed to delete, add, or restrict any provision of the King County Charter. Any provision or part thereto of this Agreement shall be void if found to be in conflict with the King County Charter.
- 13.9 The County shall not aid, promote, or finance any labor group or organization purporting to engage in collective bargaining or make any agreement with any such group or organization which would violate any rights of the Union under this Agreement.

ARTICLE XIV GRIEVANCE PROCEDURE

- 14.1 The County and the Union recognize the importance and desirability of settling grievances promptly and fairly in the interest of continued good employee relations and morale. In furtherance of this objective, the County and the Union shall extend every effort to settle grievances at the lowest possible level of supervision.
- 14.2 Employees shall be unimpeded and free from restraint, interference, coercion, discrimination or reprisal in seeking adjudication of their grievances.
- 14.3 A grievance shall be defined as an issue relating to the interpretation and application of rights, benefits, or conditions of employment as contained in this Agreement.
- 14.4 The Union shall not be required to press employee grievances if in the Union's opinion, such lack merit. With respect to the processing, disposition and/or settlement of any grievance, including hearings and final decision of any Arbitrator, the Union shall be the exclusive representative of the employee.
- 14.5 Employees, whether Union members or not, shall have no independent unilateral privilege or right to invoke the grievance procedure.
- 14.6 The disposition and/or settlement of any grievance or other matter in dispute as determined by and between the Union and the County shall be final and binding upon all parties to the dispute.
- 14.7 STEP 1 - A grievance shall be verbally presented by the aggrieved employee or the Union within ten (10) calendar days of the occurrence of such grievance to the employee's immediate Supervisor. The immediate Supervisor shall gain all relevant facts, discuss the same with the Division Manager, and attempt to adjust the matter and notify the employee within seven (7) calendar days after receipt of the grievance.
- 14.8 STEP 2 - If the grievance has not been satisfactorily resolved, the employee and the Union representative shall reduce the grievance to writing, outlining the facts as they are understood, the Section of the Agreement violated and the remedy sought. The written grievance shall then be presented to the Department Director for investigation, discussion and written reply. The Department Director shall make a written decision available to the aggrieved employee and the Union within fifteen (15) calendar days.
- 14.9 STEP 3 - If the decision of the Department Director has not resolved the grievance to the satisfaction of the Union, the grievance shall be presented to a joint committee of equal representation from the Union and the County with a maximum of two (2) for each side. This committee shall attempt to resolve the grievance within fifteen (15) calendar days.

- 14.10 STEP 4 - Should this committee be unable to resolve the grievance, either the County or the Union may request arbitration specifying the exact question which it wishes to be arbitrated, the Section of the Agreement violated and the remedy sought, provided such request has been initiated within ninety (90) calendar days from the date the grievance was brought to the attention of the employee's immediate Supervisor as provided for in Step 1. The committee shall then select a third disinterested party to serve as an arbitrator. In the event that the parties are unable to agree upon a third party to serve as an arbitrator, then the arbitrator shall be selected from a panel of seven (7) names furnished by the American Arbitration Association. The arbitrator shall be selected from the list by both the County representative and the Union representative each alternately striking a name from the list until only one name remains. The remaining name shall serve as the arbitrator. The arbitrator, under voluntary labor arbitration rules of the American Arbitration Association, shall be asked to render a decision promptly and the decision of the arbitrator shall be final and binding upon all parties to the dispute.
- 14.11 The arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter any terms of this Agreement, or to negotiate new agreements, but shall have the power only to apply and interpret the provisions of this Agreement in reaching a decision.
- 14.12 The arbitrator's fee and expenses shall be borne equally by the County and the Union. The court reporter's fee and expenses, if mutually agreed upon in advance, shall be borne equally by the County and the Union. Each party shall bear the cost of any witnesses appearing on its own behalf.

ARTICLE XV WORK STOPPAGES AND EMPLOYER PROTECTION

- 15.1 The County, the Council, and the Unions agree that the public interest requires efficient and uninterrupted performance of all County services and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. Specifically, the Unions shall not cause or condone any work stoppage, including any strike, slowdown, or refusal to perform any customarily assigned duties, sick leave absence which is not bona fide, or other interference with County functions by employees under this Agreement and should same occur, the involved Union shall take appropriate steps to end such interference. Any concerted action by any employee in any bargaining unit shall be deemed a work stoppage if any of the afore-referenced activities have occurred contrary to the provisions of this Agreement. Being absent without authorized leave shall be considered as an automatic resignation. Such a resignation may be rescinded by the Department Head if the employee presents satisfactory reasons for his absence within three (3) calendar days of the date his automatic resignation became effective.

- 15.2 Upon notification in writing by the County to the Council and the Union that any of its members are engaged in a work stoppage, the Council and the Union shall immediately, in writing, order such members to immediately cease engaging in such work stoppage and provide the County with a copy of such order. In addition, if requested by the County, a responsible official of the Union shall publicly order such Union members to cease engaging in such work stoppage.
- 15.3 Any employee participating in such work stoppage or in other ways committing an act prohibited in this Article shall be subject to disciplinary action in accordance with the County's work rules up to and including discharge, suspension, or other disciplinary action as may be deemed applicable to such employee.

ARTICLE XVI WAIVER CLAUSE

- 16.1 The parties acknowledge that each has had the unlimited right within the law and the opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right and opportunity are set forth within this Agreement. Therefore, the County and the Unions for the duration of this Agreement, each agree to waive the right to oblige the other party to bargain with respect to any subject or matter not specifically referred to or covered in this Agreement.

ARTICLE XVII SAVINGS CLAUSE

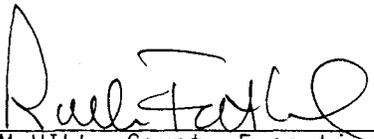

- 17.1 Should any part hereof or any provisions herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or portions of this Agreement shall not invalidate the remaining portions hereof; provided however, upon such invalidation the parties shall meet and negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

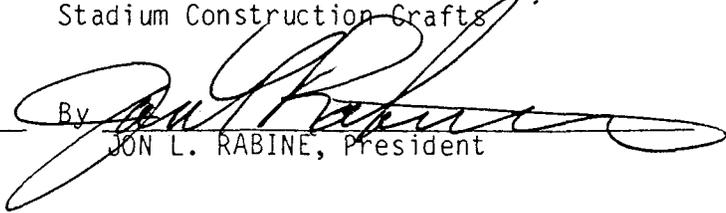

ARTICLE XVIII DURATION

- A.2 STEPS A to B, B to C, C to D and D to E (where applicable) are STEP increases which become effective upon completion of the specified months of employment identified within Sections A.1.1, A.1.2, and A.1.3.
- A.3 Crafts Training Program - The County shall have the authority to implement a Training Program for Stadium Utility Workers who have demonstrated an ability to perform the work of a Craft Union classification. A Trainee shall not be assigned to perform work within a Craft Union's jurisdiction unless there is a minimum of two (2) journeymen in that particular Craft Union's jurisdiction who are actively employed by the County. The County shall retain the right to determine the need for a Trainee; and if such determination is made, the particular Craft Union shall be advised as to the Stadium Utility Worker selected. The particular Craft Union shall thereafter be responsible for notifying the County that the selected Stadium Utility Worker meets their requirements and that such person had agreed to the terms of the Craft Union's Training Program.
- A.3.1 Upon assignment to a Craft Union Trainee position, the Stadium Utility Worker shall be paid at the top pay Step for the Stadium Utility Worker classification and shall thereafter receive pay increases each six (6) months as specifically set forth within Sections A.1.1, A.1.2, and A.1.3. until he has attained the rate of pay for the Craft Union classification.

Trainees shall be required to furnish proof of their training within the Craft Union's Training Program and their successful completion of same at each of the assigned six (6) month intervals in order to be eligible to receive the next pay Step increase. Failure to abide by the provisions of the Training Program shall result in the employee's termination without the right to return to the Stadium Utility Worker classification.
- A.4 An employee who is assigned by proper authority in writing to perform lead worker duties shall be compensated five percent (5%) over his regular hourly rate of pay for all time so assigned.
- A.5 The rates of pay set forth within Sections A.1.1, A.1.2, and A.1.3 are paid predicated upon the Craft Unions agreeing to the concept of employees in the classifications covered by this Agreement working across jurisdictional lines as the need arises. It is not the intent however, to replace the craft jurisdiction by another craft except in those instances where support and/or assistance of the other journeyman employees is required.
