INTRODUCED BY: PAUL BARDEN

PROPOSED NO.: 86-208

**7588**

ORDINANCE NO. \_\_\_\_\_

An Ordinance establishing a Water Utility Coordinating Committee for the Vashon Critical Water Supply Area.

PREAMBLE:

On December 16, 1985 the King County council passed Motion 6407 adopting the Preliminary Assessment of Water Supply and Fire Protection Issues in King County, and pursuant to RCW 70.116 designating Vashon a Critical Water Supply Area.

RCW 70.116 requires a Utility Coordinating Committee to establish the boundaries of the Critical Water Supply Area and to prepare a Coordinated Water System Plan.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. A water utility coordinating committee for the Vashon Critical Water Supply Area is established for the purpose of implementing the Public Water System Coordination Act of 1977.

SECTION 2. The committee shall consist of representatives from the following agencies:

- A. The King County council
- B. Planning and community development department
- C. The Seattle-King County health department
- D. The Department of Social and Health Services.
- E. King County Water District 19
- F. Burton Water System
- G. Dockton Water System
- H. Gold Beach Water System
- I. Heights Water System
- J. Maury Mutual Water System
- K. Westside Water System

And all other purveyors with fifty or more service connections.

Each of the listed agencies shall appoint a member and an alternate to the committee. Appointed members shall continue to serve until replaced by the appointing authority in accordance with the by-laws of the committee.

1           SECTION 3. A. In order for the committee to conduct  
2 business, a quorum consisting of not less than half of the  
3 appointed members shall be present.

4           B. At the first meeting of the committee, a chairperson  
5 and rules for conducting business shall be determined by  
6 consensus.

7           C. Within six months of its establishment, the committee  
8 shall be responsible for developing and recommending external  
9 critical water area boundaries to the county council in the  
10 manner prescribed in WAC 248-56-600.

11           D. Following the establishment of the external bounda-  
12 ries, the committee shall be responsible for developing a  
13 coordinated water system plan for the critical water supply  
14 service area in accordance with the procedures provided in  
15 WAC 248-56-740. On completion of the plan, the committee shall  
16 submit the plan to the Washington State Department of Social  
17 and Health Services via King County which shall conduct the  
18 local review required by law. The plan shall be submitted  
19 within eighteen months of the establishment of the committee.

20           E. The coordinated water system plan and external  
21 cirtical water service area boundaries shall be reviewed and  
22 updated as appropriate by the committee at a minimum of every  
23 five years, or sooner if the committee deems it necessary, as  
24 prescribed in WAC 248-56-760.

SECTION 4. The water utility coordinating committee shall be terminated effective June 30th, 1992 unless specifically extended by ordinance.

INTRODUCED AND READ for the first time this 21st day of April, 1986.

PASSED this 28th day of April, 1986.
