RE: Ordinances and Motion Related to Arts and Heritage Projects

Dear Councilmember Gruger:

I am pleased to transmit the enclosed ordinances and motion for review and action by the King County Council.

The first ordinance establishes the County's intention to finance \$1 million in support for a major arts construction project with the proceeds from tax-exempt bonds, in keeping with a financial plan approved in Motion 8797 by the King County Council for programs funded through hotel/motel tax revenues; another ordinance appropriates \$1.75 million to the Arts and Heritage Capital Fund for support of arts capital projects, as approved by the County Council in Ordinance 10685; and a third ordinance approves carry-over into 1993 of funds for hotel/motel funded programs.

The motion approves funding for arts and heritage projects through the Education and Cultural Development Fund, as authorized by Ordinance 10189, and the Arts and Heritage Capital Fund, as authorized by Ordinance 10685. This motion concurs with the recommendations of the King County Arts Commission and the King County Landmarks and Heritage Commission. The Education and Cultural Development Fund includes the Cultural Facilities, Cultural Enhancement, Opportunity Grant and Cultural Education programs.

The recommended projects reflect the geographic and cultural diversity of King County and include both small and large arts and heritage

The motion contains a financial plan (Attachment A) which incorporates the most current revenue figures for the hotel/motel tax fund, and listings of funding recommendations for the four programs areas: Cultural Facilities - Arts (Attachment B); Cultural Facilities - Heritage (Attachment C); Cultural Enhancement (Attachment D); Opportunity Grants (Attachment E); and Cultural Education (Attachment F).

I look forward to the positive and exciting impact of these projects in King County and hope you will join me in supporting both these ordinances and the motion. The King County Council's earliest consideration will be appreciated.

Please contact Leonard Garfield, Manager, Cultural Resources Division, at 6-7580 if you have any questions about this transmittal package.

Sincerely,

Tim Hill
King County Executive
