

KING COUNTY COUNCIL

~~RESOLUTION~~

Motion No. _____

WHEREAS, urbanization is occurring at a rapid rate in the lower Puyallup River Drainage Basin; and

WHEREAS, such urbanization should have the benefit of coordinated regional planning to proceed in an orderly and acceptable manner; and

WHEREAS, coordinated sewerage planning for the lower Puyallup River Drainage Basin does not exist and the several municipalities and adjacent areas would derive substantial benefit from such sewerage planning, particularly since several individual projects are now in the initial planning stages; and

WHEREAS, Pierce County has the necessary authority, granted by RCW Chapter 36.94, to plan and coordinate planning for sewerage facilities with existing municipalities; and

WHEREAS, Pierce County has filed an application for an advance of planning funds with the United States Department of Housing and Urban Development for Sewerage planning in the urbanizing areas of the Puyallup River Drainage Basin; Now, therefore,

BE IT RESOLVED BY THE KING COUNTY COUNCIL:

1. That an immediate comprehensive sewerage plan is essential to the proper development of the Puyallup River Drainage Basin.
2. That Pierce County is best suited to responsibly plan for a coordinated system of sewerage facilities in the Drainage Basin.
3. That the Pierce County application for an advance of planning funds from the United States Department of Housing and Urban Development be approved immediately, and Pierce County proceed with the necessary overall planning upon authorization of the planning advance.

PASSED BY THE KING COUNTY COUNCIL THIS 18th DAY OF AUGUST, 1969.

ATTEST:
Acting
Clerk
