A statement of the policy of King County regarding activities covered by permits issued under Proposed Ordinance No. 70-361, engaged in by King County and other units of government.

THE KING COUNTY COUNCIL BY THIS MOTION declares that the adoption of Proposed Ordinance 70-361 is intended to promote public safety and minimize adverse effect upon the environment by grading and filling operations. In order that the desired effects of this ordinance be achieved to the maximum extent possible, it is the King County Council's further intention that the provisions of this ordinance, as applicable, be applied to all operations of King County and other units of government engaging in activities which would require a permit under this ordinance were they operated by a private citizen.

PASSED this 20<sup>th</sup> day of July, 1970.

KING COUNTY COUNCIL  
KING COUNTY, WASHINGTON

Bill Keams  
Chairman of the Council

ATTESTED:

Robert R. Stender  
Clerk of the Council
