

MOTION NO. 0322

WHEREAS, the City of Bellevue, Bellevue School District No. 405, and King County have expressed an interest in the joint development of a governmental center, and

WHEREAS, said parties have conducted an evaluation of several sites for the above purposes and have agreed to proceed with negotiations for land acquisition in the vicinity of the site known as the Fisher Farm, and

WHEREAS, the County has negotiated the purchase of several properties for an East District Health Center contiguous to the above site for a total sum of Two Hundred One Thousand and no/100 Dollars (\$201,000) payable over a two-year period from the King County Health Center Construction Fund,

NOW, THEREFORE, BE IT RESOLVED, by the Council of King County, Washington, as follows:

That the County Executive is hereby authorized and directed to enter into whatever contract purchase agreements as may be necessary to consummate the above-mentioned acquisition for the purposes set forth above, providing if any of the above-mentioned property is required for some use other than a Community Health Center, the King County Health Center Construction Fund shall be reimbursed therefor.

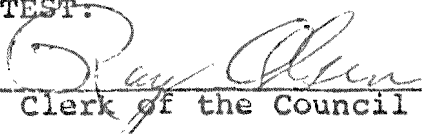

PASSED on September 14, 1970.
