WHEREAS, the operation of the King County Solid Waste Division is essential to the maintenance of citizen health and welfare, and

WHEREAS, the present level of service is consistent with minimum requirements,

NOW, THEREFORE, the King County Council recommends that the King County Executive continue the current level of expenditure in 1971 for the Solid Waste Division until the source of additional appropriation can be resolved.

PASSED THIS 4th day of January, 1971.

KING COUNTY COUNCIL
KING COUNTY, WASHINGTON
