

TRACY OWELL

NO. 81-312

MOTION NO. _____

MAY 17 1971

WHEREAS, the depressed economic condition of the aerospace industry has resulted in substantial work force reductions in professional and technical employment fields in the Puget Sound area and, especially, in King County, and

WHEREAS, the County Executive in cooperation with the Battelle Memorial Institute is developing a proposal designed to provide said unemployed professionals and skilled technicians with new job opportunities in both public service careers and private sector employment.

NOW, THEREFORE, the County Council endorses this program concept and authorizes the County Executive to proceed with an application for federal funding of Phase I development of said program.

PASSED on May 17, 1971.

KING COUNTY COUNCIL

Robert B. Dunn
Chairman of the Council

ATTEST:

Ray Allen
Acting Clerk of the Council
