WHEREAS, the recommendation of the Deputy Zoning and Subdivision Examiner in this matter has been appealed; and

WHEREAS, the Council finds a zone change of the subject property from R-A to C-1 as recommended by the Deputy Examiner would infringe upon and be detrimental to the residential properties lying West and South of the subject property; and

WHEREAS, the Council concludes therefrom the Deputy Zoning and Subdivision Examiner's decision recommending such zone change was based on an error in judgement,

NOW THEREFORE, BE IT MOVED by the Council of King County:
