It shall in no manner prohibit King County from granting other franchises of a like nature or franchises for other public or private utilities, over, along, across, under and upon any of the streets, avenues, alleys, roads or public places as herein enumerated, and shall in no wise prevent or prohibit King County using any of said streets, roads, etc., or affect its jurisdiction over them or any part of them, with full power to make all necessary changes, relocations, repairs, maintenance, etc., of same as it deems fit.
11. All the provisions, conditions, regulations and requirements herein contained shall be binding upon the successors and assigns of the Grantee, and all privileges of the Grantee shall inure to successors and assigns equally as if they were specifically mentioned wherever the Grantee is mentioned.

This paragraph shall be construed to mean that the Grantee accepts this franchise and any rights conferred hereunder for the use and occupation of any portion of the right of way, at its own risk, and agrees to assume responsibility for any damage occasioned to Grantee, or to any other person by King County in the maintenance and/or construction work performed by King County upon the roadways described above and which would not have occurred but for the presence on said roadways of the Grantee's pipes or other property mentioned above.

- 15. If at any time King County shall install a line of pipes for sewage and drainage, upon any of the streets, avenues, alleys, county roads or public places herein described, the Grantee, upon written notice by King County, shall temporarily remove its line of water pipes at its own expense during said installation and replace same at its own sole cost and expense under the supervision of King County.

The reference points shall be so located that they will not be disturbed during the Grantee's operations under this franchise. The method of referencing these monuments or other points to be referenced shall be approved by the Director before placement. The replacement of all such monuments or markers disturbed during construction shall be made as expeditiously as conditions permit and as directed by the Director. The cost of monuments or other markers lost, destroyed, or disturbed and the expense of replacement by approved monuments shall be borne by the Grantee.
- 17. If within thirty (30) days after the granting of this franchise the Grantee shall have failed to sign the incorporated written acceptance hereof, then the herein granted rights and privileges shall be deemed forfeited and be declared null and void.
