A MOTION endorsing removal of the 138th Avenue S. E. (Maple Valley Connector) project from the Capital Budget and Program, 1974 - 1979.

WHEREAS, the Department of Public Works has inadequate study monies to finance the study requested by the King County Council in Motion No. 1359, passed December 10, 1973, and

WHEREAS, the timing for the need of this Maple Valley Connector is no more specific than by 1990, and

NOW THEREFORE, BE IT MOVED by the Council of King County:

The 138th Avenue S. E. (Maple Valley Connector) project be removed from the Capital Budget and Program, 1974 - 1979, until needed study monies are foreseeable available to meet future contract agreements.
