MOTION NO. 1816

A MOTION expressing the appreciation of the Council to the Secretarial Staff of the Auditor's Office for their contribution in the preparation of the 1975 County Budget.

WHEREAS, the Council has been deliberating the 1975 County budget since October 15, 1975; and

WHEREAS, these deliberations have involved the preparation of enormous amounts of typed material for Council review; and

WHEREAS, this material has been speedily and accurately produced by the Secretarial Staff of the Auditor's Office; and

WHEREAS, they have accomplished their task in the face of overwhelming obstacles such as short notice of deadlines, recalcitrant Xerox machines, too many cooks, too many doughnuts and a consistently testy and sometimes cantankerous budget coordinator and still maintained a cheerful and helpful attitude; and

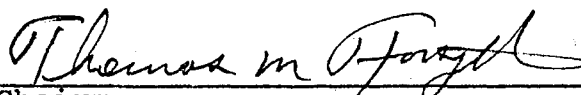

WHEREAS, the budget has now been brought forth and the doughnuts are all gone,

NOW THEREFORE, BE IT MOVED by the Council of King County:

The Council of King County expresses its appreciation to the Secretarial Staff of the Auditor's Office for their support during the 1975 Council budget deliberations and congratulates them on a job well done.

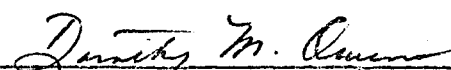

PASSED this 27th day of November, 1974.

KING COUNTY COUNCIL  
KING COUNTY, WASHINGTON
