

MOTION NO. 1928

A MOTION supporting the plan to relocate
SR 522 (Lake City Way-Bothell Way) to by-pass
the Lake City Area Business District.

WHEREAS, the Washington State Highway Department is in the
process of studying the SR 522 corridor to determine a solution
to the transportation needs and safety problems within the
corridor, and

WHEREAS, a plan proposing a by-pass of the Lake City Business
District was submitted by the Lake City Chamber of Commerce to
the Washington State Highway Department in the 1950's,

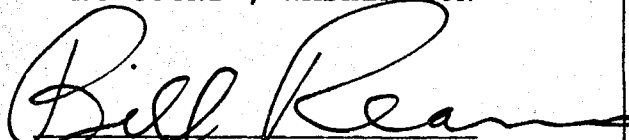

NOW THEREFORE, BE IT MOVED by the Council of King County:

The King County Council hereby requests that the Washington
State Highway Department's Interdisciplinary Team consider and
evaluate the SR 522 by-pass of the Lake City Business District as
an alternative which merits further study.

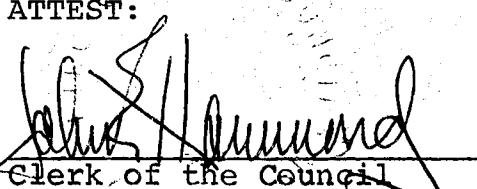

Further, that the said Interdisciplinary Team is requested
to brief the King County Council at the earliest appropriate
time on its evaluation of said alternative in the context of the
overall corridor study.

PASSED this 11th day of April, 1975.
