MOTION NO. 2411

A MOTION relating to a pay range classification; setting the pay range for the position of Fleet Administrator of equipment in the Department of Public Works at range number 66 of the County's Pay Plan.

WHEREAS, Ordinance No. 2277, the County's current pay plan ordinance states that any pay range adjustments for supervisory positions exceeding range sixty (60) shall be confirmed by motion of the Council upon recommendation of the Operations, Police and Judiciary Committee prior to implementation, and

WHEREAS, the Personnel Division has requested that the new position of Fleet Administrator for the Department of Public Works be established at pay range number 66 of the County's pay plan, and

WHEREAS, pay range 66 of the pay plan, including the recently granted cost of living increase, authorizes a beginning salary of \$1916 per month, and

WHEREAS, the position of Fleet Administrator will exercise all facets of management control over the moving equipment assigned to the Department of Public Works, totalling some 960 pieces of equipment, and

WHEREAS, the Operations, Police and Judiciary Committee recommends that pay range number 66 be assigned to the position of Fleet Administrator,

NOW THEREFORE, BE IT MOVED by the Council of King County:

The classification of the position of Fleet Administrator, within the Department of Public Works, is approved for pay purposes at range number 66 of the County's pay plan.

PASSED this 5th day of April, 1976.

KING COUNTY COUNCIL
KING COUNTY, WASHINGTON
