Introduced by: MIKE LOWRY

Proposed No. 77-1102

MOTION NO. C3343

A MOTION relating to a cost-effectiveness study of the Zoning and Subdivision Examiner's Office and authorizing expenditure of up to \$9000 for performance of the study.

WHEREAS, a preliminary analysis of the workload of the Zoning and Subdivision Examiner's Office has been done which would provide the basis for a cost-effectiveness study of the Office, and

WHEREAS, such a study offers possible benefits to the County in the form of regulation of work flow and potential savings.

NOW THEREFORE, BE IT MOVED by the Council of King County:

The Council Administrator Clerk is hereby authorized to expend funds not to exceed \$9000 for a cost-effectiveness study of the Zoning and Subdivision Examiners Office.

The conduct of the study is to be supervised by the County Auditor's Office.
