

November 26, 1979

Introduced by: GARY GRANT

Proposed No. 79-1533

MOTION NO. 4675

A MOTION certifying the consistency of the City of Kent's Reynolds Metal Company connection to the Metro Auburn Interceptor with County Land Use Plans and Policies.

WHEREAS, Metro Resolution No. 2933 requires King County to certify that proposed connections to Metro Interceptors are consistent with County Land Use Plans and Policies; and

WHEREAS, the proposed Reynolds Metal Company connection to the Auburn Interceptor has a potential service area which includes:

a) land which is not within the Local Service Area of the Sewerage General Plan, and b) land which is designated floodway pursuant to the Sewerage General Plan; and

WHEREAS, it is the goal and policy of King County to prevent the extension of sewer service to such lands; and

WHEREAS, the proposed Reynolds Metal Company connection to the Auburn Interceptor will provide sewer service to land which is designated Local Service Area by the Sewerage General Plan as amended by King County Ordinance No. 4455.

NOW THEREFORE, BE IT MOVED by the Council of King County:

The City of Kent's Reynolds Metal Company connection to the Metro Auburn Interceptor is hereby certified as consistent with King County Land Use Plans and Policies, Provided: 1. sewer service is limited to those properties within the potential service area which are designated Local Service Area by the King

1 County Sewerage General Plan, and 2. sewer service will not be
2 provided to any lands which are floodways pursuant to the
3 provisions of the Sewerage General Plan.

4 PASSED this 31st day of December, 1979.

KING COUNTY COUNCIL
KING COUNTY, WASHINGTON
