A MOTION requesting the Executive to transmit an ordinance appropriating \$6,000 for provision of special transportation services.

WHEREAS, METRO is revising its Elderly/Handicapped Special Transportation Services Program (STSP) to more closely meet the special transportation needs of King County residents, and

WHEREAS, METRO has proposed elimination of trip purpose restrictions, and

WHEREAS, this proposed policy change will greatly benefit developmentally disabled citizens of King County served by county funded programs who require special transportation services to and from worksites in sheltered workshops, and

WHEREAS, METRO has provided interim funding for special transportation services for developmentally disabled persons during revision of its STSP policy, and

WHEREAS, provided METRO's revised STSP policy is approved by the METRO Council it can be phased in to benefit developmentally disabled persons by February 1, 1985, and

WHEREAS, it is estimated that an additional \$6,000 will be required to provide continued transportation for developmentally disabled persons to worksites from January 1 until February 1;

NOW, THEREFORE BE IT MOVED by the Council of King County: That the executive is requested to transmit an ordinance appropriating \$6,000 for the provision of special transportation services for developmentally disabled persons pending approval and implementation of METRO's revised STSP policy estimated to be February 1, 1985.

PASSED this 17th day of December, 1984.
