

MOTION NO. 6668

A MOTION authorizing the county executive to make a grant application for funds in the approximate amount of \$209,620 to support a program for Transcutaneous Pacing, Grant File No. 620.

WHEREAS, the Department of Health and Human Services, National Center for Health Services Research, is empowered to make grants to support programs which have potential to improve the survival rates of cardiac arrest patients, and

WHEREAS, the Transcutaneous Pacing Program is designed to investigate the value of transcutaneous pacing in improving the survival rates of cardiac arrest patients when transcutaneous pacing is applied by emergency medical technicians, and

WHEREAS, the council of King County finds that provision of such services is in the public interest, and

WHEREAS, the council recognizes an obligation to provide the amount of \$10,463 as an in-kind contribution in support of the project.

NOW, THEREFORE, BE IT MOVED by the council of King County:

A. The King County executive is hereby authorized to make application for funds in the approximate amount of \$209,620 to the Department of Health and Human Services, National Center for Health Services Research for the Transcutaneous Pacing Program on behalf of King County;
