Introduced by: BILL REAMS
Proposed No.: 86-590

MOTION NO. 3725

A MOTION certifying that the connection of sanitary sewer to Metro's North Lake Sammamish Interceptor by the City of Redmond is consistent with King County land use plans and policies as required by Metro Resolution 2933 and County Ordinance 4226.

WHEREAS, Metro Resolution 2933 Section 3-02 requires land certification by King County of proposed connections to Metro facilities, and

WHEREAS, on August 27, 1986, Metro requested King County certification of the City of Redmond's request for connection to the North Lake Sammamish Interceptor, and

WHEREAS, the proposed connection has been reviewed by the King County department of planning and community development which has prepared a report (attached) recommending approval of this connection, and

WHEREAS, King County Ordinance 4226 specifies that the King County council may grant or deny certification;

NOW, THEREFORE BE IT MOVED by the Council of King County:

The proposed connection of a twenty seven inch sanitary sewer by the City of Redmond to Metro's North Lake Sammamish Interceptor is hereby certified as consistent with King County land use plans and policies as required by Metro Resolution 2933 and King County Ordinance 4226.

PASSED this 2nd day of February, 1987.
