

Motion No. 8909

A MOTION authorizing the county executive to make a grant application for funds in the approximate amount of \$75,000 to support a myocardial infarction surveillance project within the Center for the Evaluation of Emergency Medical Services, Grant File No. 713.

WHEREAS, the responsibilities of the emergency medical services division as provided for in the King County Code, Chapter 8.64, include improving the quality and quantity of emergency medical services in King County, analyzing emergency medical service needs, and providing planning for emergency medical services, and

WHEREAS, King County has received funding from the Laerdal Corporation to support the research activities of the Center for the Evaluation of Emergency Medical Services, including a three-year project entitled "Survey of Myocardial Infarction in King County," and

WHEREAS, the purpose of this project is to improve understanding of myocardial infarction, and provide the basis for developing effective emergency medical service programs designed to reduce death and disability resulting from myocardial infarction, and

WHEREAS, the Physio Control Corporation, Redmond, Washington, is willing to provide funding for a myocardial infarction surveillance project in the amount of \$75,000, and

WHEREAS, this funding will ensure the adequate financial support for the myocardial infarction surveillance project in eight participating hospitals in King County outside the City of Seattle;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

A. The King County executive is hereby authorized to make application for funds in the approximate amount of \$75,000 to the Physio-Control Corporation for support of a three-year myocardial infarction surveillance project;

B. The King County executive is hereby authorized to file and execute
