PROPOSED NO. 88-577

MOTION NO. 7271

A MOTION requesting the executive to provide public service announcements on the danger of smoking on the Diamond Vision Screen in the Kingdome.

WHEREAS, King County has recognized the importance of education in warning individuals about the tremendous health risk of smoking, and

WHEREAS, King County through earlier contracts has allowed space in the Kingdome to be used for cigarette advertising, and

WHEREAS, King County has opportunities to use the Diamond Vision Screen for public service announcements;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County executive and stadium administration are requested to provide significant public service announcements concerning the danger of smoking on the Diamond Vision Screen as soon as possible in the Kingdome in a manner consistent with all existing contracts with Kingdome tenants.

The King County executive is requested to cooperate with the American Lung Association, The American Medical Association and American Cancer Society in obtaining the best materials available for this purpose.

PASSED this 1st day of August, 1988.

KING COUNTY COUNCIL
KING COUNTY, WASHINGTON

Gary Grant
Chair
