A MOTION authorizing the King County Executive to enter into agreements with the Washington State Department of Ecology regarding the joint funding by state and local governments for flood control projects pursuant to R.C.W. 86.26.

WHEREAS, representatives of King County and the Washington State Department of Ecology have reached agreement on the funding of flood control maintenance projects including the estimated cost and percentage thereof to be borne by the state, and

WHEREAS, the Washington State Department of Ecology will remit to King County fifty percent of total eligible Mount Si Bridge project costs and eighty percent of the Tanner Revetment emergency repair project, and

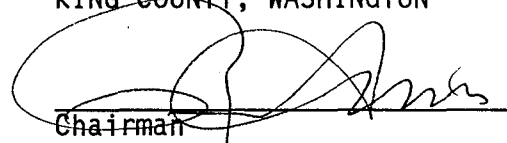

WHEREAS, reimbursement of maintenance costs requires interagency agreements between the Washington State Department of Ecology and King County;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

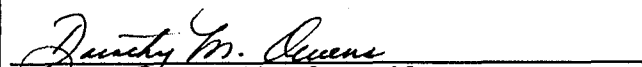

The county executive is hereby authorized to enter into agreements in substantially the form attached with the Washington State Department of Ecology regarding the financing of flood control maintenance projects.

PASSED this 15th day of May, 1989.

KING COUNTY COUNCIL
KING COUNTY, WASHINGTON
