MOTION NO. 7550

A MOTION authorizing the King County executive to sign legal documents granting the City of Bothell a permanent easement for the location and construction of a road right-of-way across a former Burlington Northern Railroad right-of-way, including a portion being conveyed to King County by Bothell.

WHEREAS, the City of Bothell and King County have entered into an "Agreement for Shared Use of Right of Way," a copy of which is attached hereto and incorporated by reference (hereafter called "Agreement"), and

WHEREAS, the particular property interests required by the City of Bothell were contemplated in the original acquisition of the right-of-way and design of the trail by King County. The property interests are surplus to King County's current and foreseeable needs in the former railroad right-of-way.

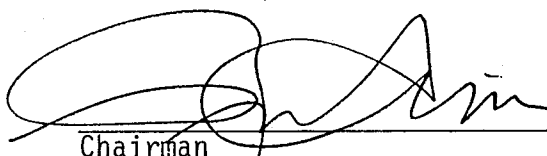

NOW, THEREFORE, be it moved by the Council of King County:

A. The King County executive, in return for the deed from Bothell described in Paragraph No. 1 of the Agreement, is authorized to grant the City of Bothell a permanent road right-of-way easement for the property described in Paragraph No. 2 of the Agreement.

B. The King County executive is hereby authorized to sign all other permits and any necessary documents necessary to carry out the Agreement.

PASSED this 20th day of May, 1989.

KING COUNTY COUNCIL
KING COUNTY, WASHINGTON
