PROPOSED NO.: 90-808

8066

MOTION NO. _____

1 A MOTION authorizing the release of \$20,000 in
2 reserve funds through the King County Community
3 Services Division for consultant planning work
4 towards the development and expansion of a
5 regionally coordinated domestic violence victims'
6 services system in King County.

7 WHEREAS, King County has recognized domestic violence victims' services
8 as a high priority through funding for domestic violence victims' services
9 and significant involvement in ongoing planning efforts, and

10 WHEREAS, the Human Services Roundtable has prioritized domestic
11 violence victims' services through a regional family violence planning
12 project aiming to develop a coordinated regional approach to meeting the
13 needs of families experiencing violence and abuse, and

14 WHEREAS, domestic violence victims and their children have a need
15 identified by King County for additional support and counseling to be
16 available throughout King County, including long term support and
17 assistance with basic social services, and

18 WHEREAS, professionals in health, education, human services, law
19 enforcement and religion need training and common protocols in how to
20 identify, assess and intervene in domestic violence situations in an
21 appropriate manner, and

22 WHEREAS, there is a reserve in the Current Expense Fund to provide for
23 the expansion of domestic violence victims' services, and

24 WHEREAS, the community services division wishes to provide funds to the
25 Human Services Roundtable for the development and expansion of a county-
26 wide domestic violence victims' services system;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County council authorizes and approves the expenditure of \$20,000 for a consultant(s) to conduct planning work for the development and expansion of a regionally integrated and coordinated domestic violence victims' services system in King County.

PASSED this 1st day of October, 1990.
