A MOTION approving the program plan and related budgets, scopes and schedules for the design and construction of the new county health centers.

WHEREAS, in 1987, the County voters approved a Regional Health Facilities Bond package which included \$11,457,323 for the construction of three new County health facilities, and the renovation of two existing facilities, and

WHEREAS, the health facilities program plan is a written statement of project requirements including the budget, scope and schedule, and

WHEREAS, the Council has already approved the program plans for construction of the new Federal Way and Totem Lake health centers and the renovation of the existing Renton and Burien health centers, and

WHEREAS, the executive has prepared and transmitted the program plan for the remaining project, the new East District Health Center, and

WHEREAS, the program plan recommends changes in project budget, scope and schedule for the East District Health Center and these changes require council approval, and

WHEREAS, the executive is proposing changes in the schedules for the Federal Way and Totem Lake health centers which also require Council approval, and

WHEREAS, the Council needs to approve a single document containing the current budgets, scopes and schedules for all three health centers.

NOW, THEREFORE BE IT MOVED by the Council of King County:

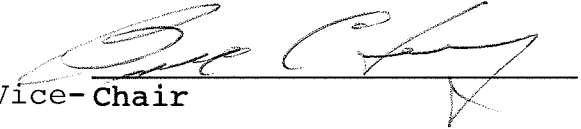

1. The attached program plan for the East District Health Center is hereby approved (Attachment A).
