A MOTION supporting the Open Space Citizen Oversight Committee's recommendation for allocation of conservation futures levy proceeds to King County, the City of Seattle and suburban cities for the purpose of providing funding for Open Space acquisition activities.

WHEREAS, R.C.W. 84.34.230 grants counties the right to levy a property tax for the purpose of acquiring conservation futures in real property, pursuant to R.C.W. 84.34.210 and R.C.W. 84.34.220, and

WHEREAS, by ordinance, conservation futures levy proceeds are collected by King County, and

WHEREAS, Ordinance 8867, as amended by Ordinance 9430 (codified in K.C.C. 26.12) establishes King County's policies and procedure regarding distribution of conservation futures levy proceeds to King County, and city governments within King County, and

WHEREAS, Ordinance 9128 establishes a Conservation Futures Levy Fund to provide for receipt and disbursement of conservation futures levy proceeds and designates that jurisdictions may use conservation futures for projects included in the 1989 Open Space Bond for expenses related to property acquisition, and

WHEREAS, K.C.C. 26.12 directs the open space citizen oversight committee to review and make recommendations to the executive on all requests for conservation futures levy proceeds, and

WHEREAS, the open space citizen oversight committee has reviewed requests from King County and incorporated cities within King County;

NOW, THEREFORE BE IT MOVED by the Council of King County:

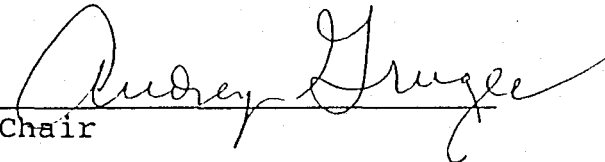

A. The King County council hereby approves the allocation of conservation futures levy proceeds to the projects

1 identified in Attachment A, in the amounts shown, but subject
2 to the conditions listed.

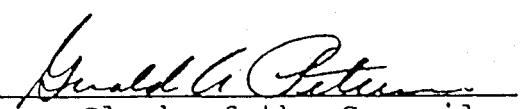

3 B. The executive is authorized to enter into and execute
4 contracts and interlocal agreements that may be necessary for
5 the distribution of these funds.

6 PASSED this 26th day of May, 1992.
