

August 17, 1992

Introduced by: Sims

Proposed No.: 92-620

1

MOTION NO.

8754

2

A MOTION authorizing the use of proceeds
from the sale of the East Public Health
Center to fund equipment and furnishings
for the newly constructed Northshore,
Eastgate and Federal Way Public Health
Centers.

8

WHEREAS, the county council approved Phase I of the Health Department's Master Facility Plan to construct three bond funded facilities in Eastgate, Northshore and Federal Way; and

11

WHEREAS, the county council approved Phase II of the Health Department's Master Facility Plan to construct a replacement facility for the Renton Public Health Center at Valley Medical Center and a new facility in Kent once the Phase I facilities were completed; and

16

WHEREAS, the sale of the existing East Public Health Center and the Renton Public Health Center were to be used to off-set the construction costs in Phase II; and

19

WHEREAS, the cost of constructing the Phase II facilities exceeds the resources anticipated from the sale of existing sites and the cost of constructing and equipping the Phase I facilities exceeds bond resources available;

23

NOW, THEREFORE BE IT MOVED by the Council of King County:

24

A. The county executive is authorized to use the proceeds from the sale of the East Public Health Center to fund equipment and furnishings for the Phase I facilities: Northshore, Eastgate and Federal Way.

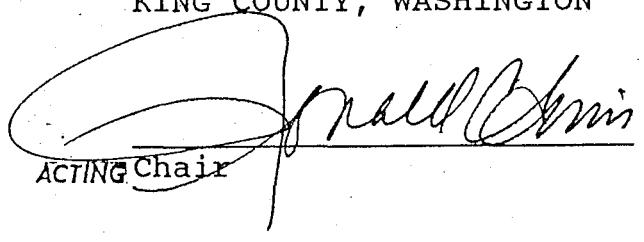

28

B. The health department and office of capital planning and development are authorized to use existing bond funds to construct the Phase I facilities and maintain the council approved schedule to break ground in August, 1992.

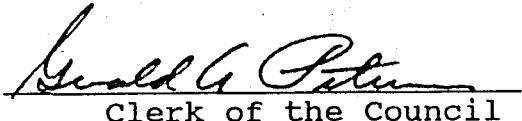

1 C. The proceeds of the sale of the East Public Health
2 Center, less the above mentioned expenditures, shall be
3 deposited in the Health Department Construction Fund #333 for
4 future facilities needs as approved in the Facility Plan,
5 Phase II.

6 PASSED this 24th day of August, 1992.
