INTRODUCED BY BRADLEY J. [unclear]

PROPOSED NO. 92-677

MOTION NO. 8781

A MOTION authorizing the King County Executive to negotiate and enter into agreements with the Metro Laboratory to perform analyses for several executive departments in King County.

WHEREAS, several executive departments of King County have ongoing needs for laboratory analyses to be conducted on both a regular and unscheduled basis with timely reporting of results, and

WHEREAS, Metro operates a regional analytic laboratory, certified by the State of Washington to conduct analytic procedures needed by those King County departments, and operated by staff able to provide both pre- and post-analysis consultation, and

WHEREAS, Metro has indicated a willingness to perform various laboratory analyses for King County and determined the additional work load can be accommodated within their work program, and

WHEREAS, particular analyses needed by the surface water management division are weather-dependent, requiring a contractual arrangement with Metro be in place by October 1, 1992;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

A. The county executive is hereby authorized to negotiate and enter into agreements with Metro for the provision of specific laboratory services needed by several of the executive departments.

B. The county executive will forward the completed agreements to the county council for its information.

PASSED this 14th day of September, 1992.
