FROM: Rosemarie Ives, <sup>RI</sup>Chair, ARCH Executive Board  
SUBJECT: Appointments to ARCH Citizen Advisory Board

The Interlocal Agreement for ARCH provides for a Citizen Advisory Board (CAB) of between 12 and 15 members, with members to be recommended by the Executive Board and confirmed by the Councils of the participating jurisdictions (Currently Bellevue, Kirkland, Redmond and King County). Primary duties of the CAB are to provide recommendations to the Executive Board of ARCH on resource allocation, and to provide suggestions on ways for communities to be more supportive of affordable housing.

Over the last two months the Executive Board and a team of staff have solicited and screened applications for the CAB. This included checking references and interviewing prospective applicants.

The Executive Board is prepared to forward the attached list of 12 candidates for confirmation by the Councils. These people have demonstrated a strong interest in helping to address affordable housing issues, and represent a cross section of the community in terms of geographic distribution and background. The screening process also attempted to minimize any potential conflicts of interest for CAB members. At this time the Executive Board recommends leaving three CAB positions open. This will allow additions to the Board to be made after additional Cities join, and/or to fill specific skills that may be identified to enhance the CAB.

The ARCH Executive Board looks forward to convening the CAB as soon as we receive final approval from the respective Councils. One immediate task will be to review applications and provide recommendations for the use of Bellevue and Redmond Housing Trust Funds.

If you have any concerns or questions regarding specific applicants or the screening process, please call me or Arthur Sullivan, ARCH Program Manager (861-3677).
