Proposed No.: 93-230

MOTION NO. 8981

1
2 A MOTION directing the Surface Water Management Division,
3 the Planning and Community Development Division, the Parks
4 Division, the Roads and Engineering Division, and the
Department of Development and Environmental Services to
carry out the Quality Urban Environment Project.

5 WHEREAS, the county council through provisos in Ordinance 10641,
6 Sections 19, 20, 70, and 81, required the surface water management
7 division, the planning and community development division, the parks
8 division, the roads and engineering division, and the department of devel-
9 opment and environmental services to develop work programs and assess
10 resource needs for the Barriers to Infill Development, Urban Quality
11 Development and Urban Area Zoning Projects, and

12 WHEREAS, the surface water management division, the planning and com-
13 munity development division, the roads and engineering division, and the
14 department of development and environmental services developed a joint work
15 program blending the three projects into a phased, interdepartmental effort
16 known as the Quality Urban Environment Project (QUE), and

17 WHEREAS, the county council recognizes the QUE project as essential to
18 the improvement of King County's urban areas and implementation of the
19 growth management act;

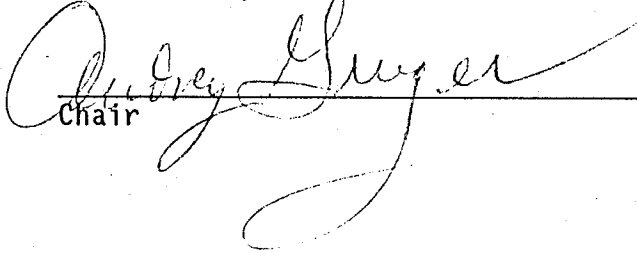

20 NOW, THEREFORE, BE IT MOVED by the council of King County:

21 The surface water management division, the planning and community
22 development division, the parks division, the roads and engineering
23 division, and the department of development and environmental services are
