Proposed No.: 94 - 221

1  
2 MOTION NO. 9269

3 A MOTION thanking the Regional Transit  
4 Committee for their efforts to date in  
5 reviewing the liquid natural gas bus  
6 issue and requesting in the spirit of  
7 cooperation, a quick and timely  
8 completion of their review with any  
9 corresponding recommendations to be  
10 forwarded to the Metropolitan King County  
11 Council to support action by the County  
12 Council on May 9, 1994.

13 WHEREAS, the Metropolitan King County council previously  
14 referred Motion 94 - 188 to the Regional Transit Committee, and  
15 such motion embodied instructions that the Regional Transit  
16 Committee should report back its recommendations by April 11,  
17 1994, and

18 WHEREAS, the Metropolitan King County council is greatly  
19 appreciative of the meeting held by the Regional Transit  
20 Committee on April 7, but respectfully notes that although  
21 April 11 has come and gone without any recommendations being  
22 received, the executive and the council are still anxious to  
23 receive whatever recommendations can be transmitted to help  
24 support our final decision, and

25 WHEREAS, the Metropolitan King County council finds that  
26 the possible use of liquid natural gas buses is, at the very  
27 least, an important operational issue, and

28 WHEREAS, Motion 94 - 188 noted that because of the major  
29 costs associated with this issue, time is of the essence;

30 NOW, THEREFORE, BE IT MOVED by the Council of King County:

31 A. The Regional Transit Committee is thanked for its  
32 excellent work to date on the issue of liquid natural gas  
33 buses; and

34 B. Because the King County executive and legal counsel  
35 to the Executive have indicated that decisions must be made  
36 very quickly, the Metropolitan King County council in the true

1 spirit of cooperation, emphasizes the urgent need for the  
2 Regional Transit Committee to make any recommendations to the  
3 council on an accelerated, expedited basis to support action by  
4 the county council on May 9, 1994.

5 BE IT FURTHER MOVED, that the clerk of the council shall  
6 immediately transmit copies of this motion to each member of  
7 the Regional Transit Committee.

8 PASSED this 18<sup>th</sup> day of April, 1994.
