5

A MOTION relating to economic development, requesting the King County executive to inventory and prepare a analysis of all the county real, personal and other assets and report back to the council by July 1, 1996.

6

7

WHEREAS, the King County executive manages and is fiscally accountable for budgeting and strategic planning, and

8

9

WHEREAS, the county executive manages programs and develop projects that promote economic development and improves the county assets, and

10

11

12

13

WHEREAS, the county executive is responsible for the management of all real and personal property and other assets owned or leased by the county, except as provided in K.C.C. 4.56.080 ensuring, where applicable, that properties generate revenues, closely approximating fair market value, and

14

15

WHEREAS, the executive is responsible for receiving and investment of all county and political sub-jurisdiction moneys, and

16

17

WHEREAS, the King County Comprehensive plan call for the establishment of benchmarks to assess progress in meeting the Plan goals, and

18

19

20

21

WHEREAS, the collection and analysis of King County real and personal property data, and the review and analysis of the county's investments will assist in establishing economic development benchmarks, insuring implementation of the county economic development policies, and

22

23

WHEREAS, in order to perform this task in a timely manner the executive is requested to establish a team to begin the process by November 1, 1995;
