This Contract shall commence on the first (1st) day of January, 1996 and terminate the thirty-first (31st) day of December, 1997 unless extended or terminated earlier pursuant to the terms and conditions of this Contract. The amount of payment to the Agency for the period for January 1, through December 31, 1997, will be determined based on the 1997 budgets passed by the Metropolitan King County Council and Seattle City Council. The parties acknowledge that because of the County's anticipated severe financial circumstance in 1996, the County will pay the Agency at a different rate for King County misdemeanor cases than in 1995. This may be below the actual cost to the Agency for providing representation to indigent defendants in King County misdemeanor cases. The parties agree that the reduced rate is intended to apply only to King County misdemeanor cases. The Office of Public Defense will make every effort to return to the actual cost methodology in 1997.

In 1997 the parties intend to contract for approximately the same percentage of cases as in 1996 as outlined in Exhibit II, "Payment Schedule". In addition, the percentage of King County misdemeanor cases may be altered by agreement among the Agencies providing public defense representation and OPD. Further, the percentage of felony cases may be amended in 1997 in the event that one of the Agencies agrees to accept unexpected growth in 1996 and needs to maintain that new caseload assignment rate in 1997. Any other modifications will be governed by Section XV of this Contract.

III. COMPENSATION AND METHOD OF PAYMENT

- A. In 1996, the County shall reimburse the Agency for the services as specified in Section I in the amount not to exceed \$6,314,262 except as provided in Exhibit I.

Of the above amount, \$6,314,262 is currently available. Any obligation by the County to provide any amount beyond what is available is specifically conditioned on passage by the Seattle City Council of a supplemental appropriation. In the event that no additional funds are available, the caseloads and payments as currently described shall be renegotiated to reflect total funds available.

- B. OPD shall provide the Agency with a certification of case assignments ten (10) working days after the close of each calendar month. The Agency shall return the signed certification within ten (10) working days of receipt. The County will pay the Agency by the eighth (8) working day of the following month.

In 1997, the Agency shall apply funds received from the County under this Contract in accordance with the approved Agency annual budget.

VI. AGENCY'S EMPLOYEES AND EQUIPMENT

The Agency agrees that it has secured or will secure at the Agency's own expense, all persons, employees, and equipment required to perform the services contemplated/required under this Contract. The Agency further agrees that any equipment or materials acquired with funds provided by this Contract shall be utilized for the purpose of performing the services contemplated/required by this Contract.

The Agency shall maintain an inventory of property purchased with funds from this Contract or depreciated during this Contract. Said inventory shall include an identification system, a record of purchase date, and price of property. Items to be included are those which are considered capital items per the definitions in Exhibit V.

- A. The Agency shall maintain accounts and records, including personnel, property, financial, and programmatic records, which sufficiently and properly reflect all direct and indirect costs of any nature expended and services performed in the performance of this Contract.
- B. The Agency further covenants and agrees that it shall maintain all records which sufficiently and properly reflect all costs and indirect costs of any nature for any subcontracts or personal service contracts. Said records shall include, but not be limited to, documentation of any funds expended by the Agency for said personal service contracts or subcontracts, documentation of the nature of the service which is rendered, and records which demonstrate the amount of time spent by each subcontractor or personal service contractor rendering service pursuant to the subcontract or personal service contract.
- C. These records shall be maintained for a period of (6) years after termination hereof unless permission to destroy them is granted by the Office of the Archivist in accordance with RCW Chapter 40.14.
- D. Willful failure to maintain or produce records or other required documentation during the time for maintenance of records may result in specific, related costs being disallowed. In the event the County has reason to believe that such a failure exists, notice shall be given to the Agency and the Agency shall respond in writing. The time for notification and response shall be the same as set forth in Section XIII.A.

If the Agency's response is deemed unacceptable, the question of whether or not specific costs are disallowed shall be determined by a County appointed, qualified independent Certified Public Accountant, in a manner consistent with generally accepted auditing standards and accounting principles. Disallowed costs may be recovered from the Agency by the County.

VIII. AUDITS, INSPECTIONS OF RECORDS, AND ANNUAL FINANCIAL STATEMENTS

- A. The Agency shall maintain records and accounts in accordance with accepted accounting practices, including records of the time spent by the Agency on each case. The Agency must ensure that OPD has full access to materials necessary to verify compliance with all terms of this contract. At any time, upon reasonable notice during business hours and as often as the County may deem necessary for a period of six (6) years, the Agency shall provide to the County right of access to its facilities, including those of any subcontractor, to auditing records, data, invoices, materials, payrolls and other data relating to all matters covered by this contract. Provided that if any such data, records or materials are subject to any privilege or rules of confidentiality the Agency must maintain such data in a form or manner to

provide same to the County that will not breach such confidentiality or privilege. The Agency shall maintain such data and records in an accessible location and condition for a period of not less than six (6) years following the receipt of final payment under this Contract, unless the County agrees in writing to an earlier disposition. Notwithstanding any of the above provisions of this paragraph, all Constitutional, statutory, and common law rights and privileges of any indigent client are not waived. Provided further that nothing in this section shall require the disclosure of the names of any client represented pursuant to RCW 13.34 et seq, or RCW 71.02 et seq, or RCW 71.05 et seq.

- B. provided that nothing in this section shall prohibit the Agency from rotating attorneys through various divisions of the court system at reasonable intervals or from assigning a single attorney to handle various aspects of legal proceedings for all indigent clients where such method of assignment is the most reasonable method of obtaining adequate representation for indigent clients.

9961

3. The Agency agrees that an attorney or a member of the Agency support staff shall visit in the King County jail or the King County Juvenile Detention facility any assigned in-custody criminal defendant, in-custody civil commitment, or dependency clients and discuss the charges for which the in-custody criminal, civil commitment or dependency client is held within one (1) working day (exclusive of weekends or holidays) from notification to the Agency of the assignment of the case and the in-custody status of the criminal, civil commitment or dependency client.
4. The Agency further covenants that an attorney shall be required to make contact with all other indigent clients within five (5) working days from a case assignment.
5. The Agency agrees that a preliminary written response to complaints concerning services, forwarded to the Agency by OPD, shall be made within two (2) working days of the date the OPD complaint form is received.
6. Conflicts of interest arise in a number of circumstances in the representation of indigent defendants. While it is difficult to specifically define a conflict of interest, it is important that participants in the representation of indigent defendants be cognizant of the potential for conflicts and recognize that their management of conflicts is governed by the mandatory provisions of the Washington State Rules of Professional Conduct (RPC) as adopted in 1985 and thereafter amended and judicial interpretations of those rules. In addition to the RPC, attorneys shall refer to the American Bar Association Standards for Criminal Justice.

Upon assignment of any client to an Agency, the Agency must make diligent and reasonable efforts to obtain and review discovery. Within ten (10) days of the receipt of any discovery, whether initial or subsequent, on any case involving either an adult charged with a felony offense or juvenile charged with a felony offense, the Agency must notify OPD of any potential conflicts as defined by the Washington State Rules of Professional Conduct referenced herein.

On cases other than adult felonies and juvenile felonies, the Agency must make reasonable and diligent efforts to obtain and review discovery, within thirty (30) days of the assigned trial or dispositive hearing date.

1. Every Agency attorney shall satisfy the minimum requirements for practicing law in Washington as determined by the Washington Supreme Court; seven (7) hours of each year's required continuing legal education credits shall be in courses relating to criminal law practice or other areas of law in which the Agency provides legal services to clients under the terms of this Contract. The Agency will maintain for inspection on its premises records of compliance with this provision.

Such supervision shall provide the staff attorney with sufficient resources so the attorney will be able to handle cases on his/her own. Such determination shall be made by the supervising attorney.

C. Attorney Evaluation

The Agency director, or his/her designee, shall evaluate the professional performance of Agency attorneys annually. Evaluations should include monitoring of time and caseload records, review of case files, as well as in-

OPD will review Agency caseloads and standards and support staff/attorney ratios for each area of cases. In addition, the Agency's staffing plan may be reviewed by OPD to verify that attorney experience levels and placement within the salary schedule are reasonable when compared to responsibilities or capabilities of the attorney. Provided, however, that nothing in this section shall prohibit assigning an attorney to a program area or position requiring less experience than that attorney has and paying that attorney at a level on the pay plan that is consistent with his/her actual skills and experience, if such placement is temporary (not to exceed twelve (12) consecutive months during the contract period) or for the purposes of providing supervision, leadwork or specific needed skills to a specific category of cases, attorneys or to a specific court. Further, nothing in this section shall prohibit the use of salary freezing for persons whose salary previously exceeded the level of their placement within the Salary Plan found as Exhibit XVI.

2. The Agency shall respond in writing within three (3) working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies, and the proposed completion date for bringing the Contract into compliance, which date shall not be more than ten (10) working days from the date of the Agency's response;
3. The County will notify the Agency in writing of the County's determination as to the sufficiency of the Agency's corrective action plan. The determination of the sufficiency of the Agency's corrective action plan will be at the sole discretion of the County; however, the County's determination of the sufficiency of the Agency's corrective action plan shall take into consideration the reasonableness of the proposed corrective action, in light of the alleged breach. In all cases where corrective action is determined by the County to be appropriate, the County shall work with the Agency to implement the plan;
4. In the event that the Agency does not respond within the appropriate time with the corrective action plan, or the Agency's corrective action plan is determined by the County to be insufficient, the County may commence termination of this Contract in whole or in part pursuant to Section XIII(B);
5. In addition, the County may withhold any payment owed the Agency which is directly related to the breach of the Contract or prohibit the Agency from incurring additional obligations of funds until the County is satisfied the corrective action has been taken or completed; and
6. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section III (A), and (C).

A. The County may terminate this Contract in whole or in part upon ten (10) days' written notice to the Agency in the event:

1. The Agency substantially breaches any duty, obligation, or service required pursuant to this Contract.
2. The Agency engages in misappropriation of funds or fraudulent disbursement of funds.
3. The duties, obligations, or services herein become impossible, illegal, or not feasible.

Before the County terminates this Contract pursuant to subsection XIII.A.1., the County shall provide the Agency written notice of termination, which notice shall include the reasons for termination and the effective date of termination. The Agency shall have the opportunity to submit a written response to the County within (10) working days from the date of the County's notice. If the Agency elects to submit a written response, the OPD Administrator will review the response and make a determination within ten (10) days after receipt of the Agency's response. In the event the Agency does not concur with the determination, the Agency may request a review of the decision by the County Executive. In the event the County Executive reaffirms termination, the Contract shall terminate in ten (10) days from the date of the final decision of the County Executive. If the County Executive does not make a final determination within twenty (20) days provided herein, the Contract shall remain in full force and effect until such decision is made and communicated to the Agency. Once a final determination is made by the County Executive, and if such determination sustains the decision of termination, said decision shall become effective ten (10) days from the date the final determination is made and communicated to the Agency.

In the event this Contract is terminated in whole or in part pursuant to Subsection A.1 of the Section XIII, the Agency shall be liable for damages, including the excess costs of the procurement of similar services from another source unless it is determined by the OPD Administrator that (i) no default actually occurred, or (ii) the failure to perform was without the Agency's control, fault or negligence.

B. In the event that for any reason, expected or actual funding from any source, not to include funding appropriated by the County from County funds, shall be reduced, withdrawn, suspended or otherwise not available, the County may suspend or terminate any portion of this Contract which relies on the reduced, withdrawn, suspended, or otherwise unavailable funds.

The County will notify the Agency in writing that the specific funding is no longer available for all or part of this Contract, and upon receipt of such

notice, the Agency will be released under the terms of this Contract which relied upon such funding. The County will be released from contracted liability with the Agency for cases not yet assigned pursuant to portions of this Contract for which funds have not been received by the County.

9961

In the event that any such termination or suspension is required, the termination or suspension of services required to be performed under the terms of this Contract shall be limited to such services that directly rely on such funding; the balance of this Contract shall remain in full force and effect.

- C. In the event of the termination or suspension of this Contract, the Agency shall remit any unexpended balance of funds paid for cases assigned and not completed, less the amount the County and the Agency agree shall be necessary to deliver services in those cases. The OPD Administrator may request the Agency to attempt to withdraw from any case assigned and not completed. In the event the Agency does not have sufficient funds to comply with the terms of this Contract, the County shall make every effort, within available resources, to assist the Agency. Provided that, should a court require, after the Agency has attempted to withdraw, the appearance of counsel from the Agency for any client previously represented by the Agency where such representation is no longer the obligation of the Agency pursuant to the terms of this Contract, the County will honor payment to the Agency upon judicial verification that continued representation is required. The amount to be paid to the Agency shall be on the same basis as assigned counsel payments.
- D. The Agency reserves the right to terminate this Contract with cause with thirty (30) days written notice should the County substantially breach any duty, obligation or service pursuant to this Contract. In the event that the Agency terminates this Contract for reasons other than cause resulting from substantial breach of this Contract by the County, the Agency shall be liable for damages, including the excess costs of the procurement of similar services from another source, unless it is determined by the OPD Administrator that (i) no default actually occurred, or (ii) the failure to perform was without the Agency's control, fault or negligence.
- E. In the event that termination is due to misappropriation of funds, non-performance of the scope of services, or fiscal mismanagement, the Agency shall return to the County those funds, unexpended or misappropriated, which, at the time of termination, have been paid to the Agency by the County.
- F. Otherwise, this Contract shall terminate on the date specified herein, and shall be subject to extension only by mutual agreement of both parties hereto in writing.

- G. Nothing herein shall be deemed to constitute a waiver by either party of any legal right or remedy for wrongful termination or suspension of the Contract. In the event that legal remedies are pursued for wrongful termination or suspension or for any other reason, the nonprevailing party shall be required to reimburse the prevailing party for all attorney's fees. 9961
- H. In the event of termination, suspension, or non-renewal of this Contract, all cases not required to be completed by the Agency shall be returned to the OPD Administrator for reassignment.

XIV. ASSIGNMENT/SUBCONTRACTING

- A. The Agency shall not assign or subcontract any portion of this Contract without consent of the County, and it is further agreed that said consent must be sought in writing by the Agency not less than five (5) days prior to the date of any proposed assignment or sub-contract, provided that this provision shall not apply to short-term personal service contracts with individuals to perform work which is under the direct supervision and control of the Agency. Any individuals entering into such short-term personal service contracts shall meet any experience requirements imposed by any terms of this Contract. Short-term contracts shall include any contract for a time period less than one (1) year. The County shall be notified if any short-term contracts are renewed, extended or repeated at any time throughout the Contract.
- B. "Subcontract" shall mean any agreement between the Agency and a subcontractor or subcontractors that is based on this Contract, provided that the terms "subcontract" or "subcontractors" do not include the purchase of support services that do not directly relate to the delivery of legal services to indigent clients of the Agency.
- C. "Personal Service Contract" shall mean a contract for the provision of professional services which includes but is not limited to counseling services, consulting services, bookkeeping services, accounting services, social work services, investigator services and legal services.

XV. CHANGES

Either party may request that the provisions of this Contract be subject to renegotiation. After negotiations have occurred, any changes which are mutually agreed upon shall be incorporated by written amendments to this Contract. There shall be no oral representations or understandings which shall in any way modify or affect this agreement unless said oral representation or understandings are committed to writing and become a part of this agreement.

The County makes no commitments to support and assumes no obligation for future support of the activity contracted herein except as expressly set forth in this Contract.

XVII. HOLD HARMLESS AND INDEMNIFICATION

- A. The County assumes no responsibility for the payment of any compensation, wages, benefits, or taxes to Agency employees or others by reason of the Contract. The Agency shall protect, indemnify, and save harmless the County and the State of Washington, their officers, agents, and employees from and against any and all claims, costs, and losses whatsoever, occurring or resulting from (1) Agency's failure to pay any compensation, wages, benefits or taxes; and (2) the supplying of work, services, materials, or supplies by Agency employees or others in connection with the performance of this Contract.
- B. The Agency agrees that it is financially responsible and liable for and will repay the County for any independent County or State audit finding of noncompliance with the terms of this contract due to the negligence or intentional acts of the Agency, its officers, employees, representatives or agents. The duty to repay the County shall not be diminished or extinguished by the prior termination of the contract pursuant to Section II or XIII.
- C. The Agency shall indemnify and hold harmless the County and its officers, agents, and employees, or any of them, from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason of or arising out of any act or omission of the Agency, its officers, agents, and employees, or any of them, relating to or arising out of the performance of this Contract. In the event that any suit based upon such a claim, action, loss, or damage is brought against the County, the agency shall defend the same at its sole cost and expense; provided that the County retains the right to participate in said suit. If final judgment be rendered against the County, and its officers, agents, and employees, or any of them, or jointly against the County and the Agency and their respective officers, agents, and employees, or any of them, the Agency shall satisfy the same.

The County shall indemnify and hold harmless the Agency and its officers, agents, and employees, or any of them, from any and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason of or arising out of any action or omission of the County, its officers, agents, and employees, or any of them, relating or arising out of the performance of this Contract. In the event that any suit based upon such a claim, action, loss, or damage is brought against the Agency, the County shall defend the same at its sole cost and expense and if final judgment be rendered against the Agency and the County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same.

ALL-14

- D. Without limiting the Agency's indemnification, it is agreed that the Agency shall maintain in force, at all times during the performance of this Contract, a policy or policies of insurance covering its operation.

1. General Liability Insurance

The Agency shall maintain continuously public liability insurance with limits of liability not less than: \$250,000 each person, personal injury, \$500,000 each occurrence, property damage, liability, or a combined single limit of \$500,000 each occurrence, personal injury and/or property damage liability.

Such insurance shall include King County as an additional insured and shall not be reduced or canceled without thirty (30) days' prior written notice to the County. The Agency shall provide a certificate of insurance or, upon written request of the County, a duplicate of the policy as evidence of insurance protection.

2. Professional Liability Insurance

The Agency shall maintain or ensure that its professional employees or contractors maintain professional liability insurance for any and all acts which occur during the course of their employment with the Agency for representation of clients pursuant to this agreement in the event the service delivered pursuant to this Contract, either directly or indirectly, involve providing professional services.

For purposes of this Contract, professional services shall mean any services provided by a licensed professional.

Such professional liability insurance shall be maintained in an amount not less than \$1,000,000 combined single limit per claim/aggregate. The Agency further agrees that it shall have sole and full responsibility for the payment of any funds where such payments are occasioned by the professional negligence of its professional employees and where such payments are not covered by any professional liability insurance to include but not be limited to the amount of the deductible under the insurance policy. Provided that the Agency shall not be required to make any payments for professional liability, if such liability is occasioned by the sole negligence of the County. Provided further, that the Agency shall not be required to make payments other than its judicially determined percentage, for any professional liability where such payments are required as a result of a determination of a court of competent jurisdiction that the payments are the result of the comparative negligence of the County.

Such insurance shall not be reduced or canceled without thirty (30) days' prior written notice to the County. The Agency shall provide certificates of insurance or, upon written request of the County, duplicates of the policies as evidence of insurance protection.

3. Automobile Insurance

The Agency, which term shall include but is not limited to any employee, agent, subcontractor or designee of the Agency, shall maintain in force at all times during the performance of this contract, a policy or policies of insurance covering any automobiles owned, leased, hired, borrowed or used by the Agency to transport clients of the Agency.

In the event that services performed pursuant to this Contract involve transportation of clients, coverage shall be at least as broad as Insurance Services form number CA0001 (Ed. 12-90), covering Business Auto Coverage code 1 "any auto", or the appropriate coverage provided by symbols 2, 7, 8, or 9.

Such insurance policy or policies shall specifically name King County as an additional insured. Said insurance coverage shall be primary insurance with respect to King County, and any insurance, regardless of the form, maintained by King County shall be excess of any insurance coverage which the Agency is required to maintain pursuant to this contract.

Automobile liability as stated herein shall be maintained at \$500,000 combined single limit per accident for bodily injury and property damage.

4. Workers' Compensation

The Agency shall maintain Workers' Compensation coverage as required by the Industrial Insurance Act of the State of Washington.

The policy or policies of insurance shall not place any limitation on the protections afforded King County as an additional insured and the policy shall require thirty (30) days' notice to King County in the event of reduction of coverage, voiding of coverage, cancellation of coverage, or nonrenewal of coverage.

The Agency shall provide a certificate of insurance or, upon written request of the County, a certified copy of the policy as evidence of insurance protection.

Any policy or policies of insurance are to be placed with insurers with a Best's rating of no less than A: VII. No policy or policies of insurance under this section may be changed in any manner without thirty (30) days' prior written notice to the County. The Agency shall provide a certificate

as evidence of insurance protection.

9961

Any deductible and/or self-insured retention shall not apply to the Agency's liability to the County and shall be the sole responsibility of the Agency.

XVIII. BOARD OF DIRECTORS

The Agency shall have a Board of Directors, a majority of whom must be neither staff members nor relatives of staff members or directors of the Agency. The Agency shall provide OPD with the names, addresses, and professions of members of the Board of Directors and a copy of the by-laws. The Agency shall provide OPD with timely notification of changes in membership, and by-laws.

XIX. REPORTS

All such reports as are required under the terms of this Contract shall be submitted to OPD within the time limits for each report as delineated in Exhibit VI.

- A. **Position Salary Profile:** The Agency shall submit to OPD on the last working day in January and by the 15th day of the first month of each quarter, a profile of Full-Time Equivalent (FTE) positions for both legal and support staff distributed by program area. - B. **Bar Complaints:** The Agency will immediately notify the OPD Administrator in writing when it becomes aware of any complaint lodged against one of its attorneys with the Washington State Bar Association which has resulted in either reprimand, suspension, or disbarment for any attorney who is a member of the staff or working for the Agency on short-term personal service contract.
- C. **Caseload Reports:** The Agency will report monthly closed case reports to the OPD Administrator via electronic data transfer.
- D. **Expenditure Reports:** Within twenty (20) days of the last day of each calendar month, the Agency will certify to OPD a monthly report of the prior month's expenditures for each type of case handled, on a form to be provided by OPD. Expenditure reporting shall be on a modified accrual basis.
- E. **Annual Attorney Evaluation Report:** The Agency shall submit to OPD a summary report of the annual attorney performance evaluations as specified in Section X.C.

- F. **Annual Subcontract Attorney Use Report:** If the Agency uses any subcontract attorneys, the Agency shall submit to OPD a summary report.
- G. **Failure to submit required reports may be considered a breach of this contract and may result in the county withholding payment until the required reports are submitted and/or invocation of the corrective action procedures in Section XII.**

XX. RESPONSIBILITY OF MANAGING DIRECTOR OF AGENCY

The managing director of the Agency shall be an attorney licensed to practice law in the State of Washington. The managing director of the Agency shall be ultimately responsible for receiving or depositing funds into program accounts or issuing financial documents, checks, or other instruments of payment for program costs provided pursuant to this Contract.

XXI. NONDISCRIMINATION

A. General

1. During the performance of this Contract, neither the Agency nor any party subcontracting under the authority of this Contract shall discriminate on the basis of race, color, sex, religion, national origin, creed, marital status, age, or the presence of any sensory, mental, or physical handicap in employment or application for employment or in the administration or delivery of services or any other benefit under this agreement.

The Agency shall comply fully with all applicable federal, state, and local laws, ordinances, executive orders, and regulations which prohibit such discrimination. 3. In the event of noncompliance by the Agency with any of the non-discrimination provisions of this Contract, the County shall have the right, at its option, to cancel the Contract, in whole or in part. If the Contract is canceled after partial performance, the County shall be obligated to pay the fair market value or the Contract price, whichever is lower, for goods or services which would have been received and approved by the County

B. Employment

7201

1. During the performance of this Contract, neither the Contractor nor any party subcontracting under the authority of this Contract shall engage in unfair employment practices. It is an unfair employment practice for any:

 - d) employment agency to discriminate against any person with respect to any reference for employment or assignment to a particular job classification;
 - e) employer, employment agency or a labor organization to retaliate against any person because this person has opposed any practice forbidden by this chapter or because that person has made a charge, testified or assisted in any manner in any investigation, proceeding or hearing initiated under the provisions of King County Code, Chapter 12.18;
 - f) publisher, firm, corporation, organization or association printing, publishing or circulating any newspaper, magazine or other written publication to print or cause to be printed or circulated any advertisement with knowledge that the same is in violation of K.C.C. 12.18.030 C., or to segregate and separately designate advertisements as applying only to men and women unless such discrimination is reasonably necessary to the normal operation of the particular business, enterprise or employment, unless based upon a bona fide occupational qualification;

9961

If the Contractor engaged in unfair employment practices as defined above, remedies as set forth in King County Code 12.18, shall be applied.

C. Program Services

The Agency, or any subcontracting authority under this agreement, agrees not to discriminate on the basis of race, color, national origin, religion, creed, sex, age, or the presence of any sensory, mental, or physical handicap, in the access to, or in the provision and administration of, any program or activity under this Contract.

"Discrimination" includes (a) denial of services or benefits, (b) segregated, separate, or different treatment or benefits, (c) utilization of administrative criteria or methods that have the effect of discriminatory treatment. This obligation includes taking affirmative steps to make programs and services available and accessible to the handicapped.

D. Affirmative Action Reporting

If the Agency has previously submitted this self-evaluation report to the County, it is exempt from filing a report for this contractual year, provided it is at the same location. The Agency will sign a waiver statement provided by the County indicating continued efforts to comply with Sections 503 and 504 of the 1973 Rehabilitation Act, as amended, and attach the completed form to this Contract.

4. The Agency will complete all reports and forms provided by the County and will otherwise cooperate fully with the County in monitoring and assisting the Agency in providing nondiscriminating programs.

E. Minority/Women's Businesses

The provision of King County Code (KCC) 4.18 with regard to minority and women's business enterprise (M/WB) subcontracting requirements are waived for this Contract.

The Agency hereby agrees to establish a goal of subcontracting one percent (1%) of the value of this Contract to M/WB firms as defined in KCC 4.18.

In order to insure that affirmative efforts have been made to subcontract a goal of at least one percent (1%) of each Agency's contract to qualifying M/WB as defined in KCC 4.18, the following procedures will be implemented.

If the purchase is to be made from a qualifying M/WB, no other contacts need be made for the purchase. Existing contracts, purchases or purchase orders are not affected. If qualifying M/WB's have been rejected because their price was

at least five percent (5%) greater than that of non-M/WB's, ~~the Agency~~
need not contact that M/WB for re-orders of the same items within ninety
(90) days.

The Agency will note the name of the company, the person contacted, their telephone number, whether it is a qualifying M/WB, the item(s) and quantity to be ordered, and the price quote from each company on the "Tabulation of Bids" form, attached as Exhibit XI. The final vendor will be noted. These reports will be submitted to OPD on a monthly basis. A. Services Required

The services required in the 1996 portion of this Contract are defined for all program areas except King County misdemeanors as follows: Public defense attorney services for the completion of 1996 cases assigned plus or minus the annual variance percentage for each program area. In no event will case assignments exceed the quarterly variance in any given quarter. Quarterly estimates are provided for planning purposes only.

This Contract is intended to provide compensation to the Agency for the services of a particular number of attorney and staff members. It is understood that the number of attorneys required is dependent upon several different factors. Two of the most significant factors are, (1) the number of cases an individual attorney may be expected to manage per year, and (2) the courts' various calendar requirements and workday requirements.

The payment section of this contract is based upon the number of cases an attorney may be expected to manage as stated in Section XI.A. and upon the courts' calendars and work schedules as they existed at the time the 1993 King County Budget was adopted (excluding any "experimental" calendars). The Agency's requirement for the delivery of services is, to that extent, defined by those factors.

Any requests by the courts for additional attorney FTE's due to changes in calendars or work schedules will be negotiated separately by the agency and OPD and such additional services shall only be required when funding has been approved by the County, and payment arranged by contract modification. Further limitations as to particular programs are stated below.

The services required by the 1996 portion of this Contract for King County District Courts is the availability of an FTE attorney to handle each 450 cases assigned to the Agency within the following limits:

- a) December, 1993, State criminal calendars are assumed to define the time commitments of the Agency's attorneys, except for the District Court Presiding calendar.
- b) Significant changes in court calendars, primarily the need to staff additional courtrooms at the same time as those on the December, 1993 schedule, shall not be considered the Agency's responsibility within the terms of this Contract unless the addition of said calendars can be accommodated by Agency attorneys assigned to the court within the equivalent of four (4) workdays of in-court service for clients and one (1) workday of "out-of-court" or "in office" service for clients each week.

The services required by the 1996 portion of this Contract for Seattle Municipal Court are based on the availability of an FTE attorney to handle each 380 cases, provided that the Agency shall not be required to be responsible for more than two night in-custody calendars and four out-of-custody night calendars per week, except as provided in Exhibits I.5 through I.7.

If, after initial assignment, additional charges are filed under the same cause number against the same defendant respondent, and said charges arise out of a different allegation or series of allegations unrelated by transaction to the first charges, then additional credit or credits shall be determined and assigned by mutual agreement of the Agency and OPD. If the case is subsequently refiled in Superior Court the Agency shall receive an additional felony credit.

It shall include the filing of a notice of appeal, if applicable.

In the event that once a case assignment has been made by OPD, and the Agency has begun delivery of legal services, the defendant absconds for a period of ninety (90) days or more, upon reappearance, the allocation of a new case credit or partial case credit based on the amount of legal services delivered prior to the absconding shall be determined by mutual agreement of the Agency and OPD.

If, after initial assignment, additional charges are filed under the same cause number against the defendant, and said charges arise out of a different allegation or series of allegations unrelated by transaction to the first charges, then additional credit or credits shall be determined and assigned by mutual agreement of the Agency and OPD.

- e. Juvenile Offender Modification/Review: A juvenile offender modification/review shall include a hearing or hearings related to the allegations contained in the notice of the modification/review. Should the Compliance Unit find, upon complaint, investigation or review, the Contractor not to be in good faith compliance with the provisions contained in this affidavit, it shall notify the County and contractor in writing of the finding fully describing the basis of noncompliance. Contractor may request withdrawal of such notice of noncompliance at such time as the compliance office has notified in writing the contractor and the County that the noncompliance has been resolved.

O. The contractor agrees that any violation of the specific provisions of this chapter and of any term of the affidavit of compliance required herein, including reporting requirement, shall be deemed a violation of King County Code Chapter 12.16. Any such violation shall be further deemed a breach of a material provision of the contract between the County and the contractor. Such breach shall be grounds for implementation of any sanctions provided for in this chapter, including but not limited to, cancellation, termination or suspension, in whole or in part, of the contractor by the county; liquidated damages; or disqualification of the contractor PROVIDED, that the implementation of any sanctions is subject to the notice and hearing provisions of King County Code Chapter 12.16.110.

ASSURANCE OF COMPLIANCE

With Section 504 of the Rehabilitation Act of 1973, as amended, a federal law prohibiting discrimination against qualified persons with disabilities.

Definitions: **"Contractor"** shall mean any contractor with King County, except for those contractors supplying tangible goods and supplies. **"Contract"** shall mean any contract, purchase order, or agreement, except those for tangible goods and supplies, with King County Government, hereinafter called the County. **"Reasonable accommodation"** shall mean all efforts made to modify, change, or eliminate existing barriers denying persons with disabilities equal opportunity to benefit from the Contractor's program, services or activities, except where to do so would cause an undue administrative or financial burden. **"undue administrative and financial burden"** is determined on a case by case basis using the following criteria: (1) size of the Contractor's program with respect to number of employees, number and type of facilities, and size of budget, (2) the type of operation including the composition and structure of the work force; and (3) the nature and cost of the accommodation needed. Section 504 of the Rehabilitation Act of 1973, as amended (hereinafter Section 504), defines **"disability"** as anyone who has, has a history of, or is perceived as having a sensory, physical, or mental impairment that substantially limits one or more major life activity. This can include, but is not limited to: mobility, visual, hearing, or speech impairment; mental illness, epilepsy, learning disability, brain injury, HIV/AIDS; arthritis, cerebral palsy, developmental disability, multiple sclerosis, and alcohol and drug addiction.

A. The undersigned Contractor understands that discrimination in public accommodation and employment based solely on disability is prohibited by federal, state and local laws. In addition, the Contractor recognizes that Section 504 of the Rehabilitation Act of 1973, as amended, requires recipients of federal funds, be it direct or through subcontracting with a government entity receiving federal funds, to make their programs, services and activities, when viewed in their entirety, accessible to qualified and/or eligible persons with disabilities. The undersigned Contractor agrees that it and all subcontractors must comply with Section 504's requirements.

B. The undersigned Contractor has completed the *Self Evaluation and Corrective Action Plan for King County Contractors* to determine if it is discriminating against persons with disabilities in the area of program services, facility access, employment policies and procedures, outreach efforts, or the provision of reasonable accommodation to qualified/eligible persons with disabilities. Reasonable accommodation is required in both program services and employment, except where to do so would cause an undue administrative or financial burden.

C. The undersigned Contractor has developed a corrective action plan for all areas that are not in compliance with Section 504 and has attached it as Exhibit A.

D. The undersigned Contractor understands that in order to have an accommodation for program services declared an undue administrative or financial burden, an *Accessibility Waiver Request* must be submitted to King County's Office of Civil Rights and Compliance for OCRC's approval or disapproval.

E. The undersigned Contractor agrees to cooperate in any compliance review and to provide reasonable access to the premises of all places of business and employment, and to records, files,

information and employees therein to King County's Office of Civil Rights and Compliance for reviewing compliance with Section 504 requirements.

9961

F. The undersigned Contractor agrees that any violation of the specific provisions and terms of the Assurance of Compliance required herein and with Section 504, shall be deemed a breach of a material provision of the contract between the County and the Contractor. Such breach shall be grounds for cancellation, termination or suspension, in whole or in part, of the contract by the County or disqualification of the contractor in future contracts.

Before any city contracting authority accepts any bid or enters into any contract for the purchase of supplies, materials, or equipment the vendor shall be pre-qualified to do business with the City as provided for herein, provided that the contracting authority may waive the requirement of pre-qualification whenever it finds and certifies after investigation that:

- (a) Needed supplies, materials or equipment are available only from a single source and that the vendor has failed to comply with the requirements for pre-qualification, or

City contracting authorities purchasing supplies, materials, or equipment shall cause notice of this pre-qualifying requirement to be included in all invitations to bid and to be conspicuously displayed in all offices purchasing supplies, materials, or equipment for the City.

A vendor shall be deemed to be pre-qualified when the contracting authority, with the advice and recommendations of the Director, finds that:

(b) The vendor has satisfactorily completed and filed with the Director on such form as the Director provides therefor, the following information:

1. An employment profile which may include the number of employees, their creed, race, color, sex, age and national origin, and the type of work each performs by general categories, and such other information as requested by the Director; and

2. A sworn statement as set out in Section 4 of this ordinance which shall become terms and conditions of any and all contracts of the vendor with the City for the purchase of supplies, materials, or equipment.

A contracting authority may assume that a vendor has satisfied the requirements for pre-qualifying if the Director does not notify the contracting authority to the contrary within 3 working days of the submission to the Director by the vendor of all information and sworn statements required to pre qualify.

Whenever the contracting authority, with the advice of the Director, finds that a contractor's sworn statement is in need of review or updating, he shall so notify the vendor who shall take steps as necessary to review or update his sworn statement to meet the contracting authority's requirements, provided that if changes in the sworn statement would have a substantial financial impact on the contractor with regard to contracts already entered into, the changes shall not apply to such contracts.

If upon investigation the Director determines that there is probable cause to believe that the vendor has failed to comply with any of the terms of this section or with the obligations of the sworn statement, written findings as to each such probable breach shall be given by the Director to the vendor and the contracting authority. The contracting authority shall give the vendor an opportunity to be heard, after 10 days notice. If the contracting authority concurs in the findings of the Director, it may cancel or suspend the vendor's pre-qualification.

Section 3.4. A City contracting authority may substitute in lieu of the contract provisions set forth in Sections 3.1, 3.2, and 3.3 such antidiscrimination or equal opportunity provisions required or requested by the Department of Human Rights, the United States of America or the State of Washington.

Section 4. SWORN STATEMENT. All city contracts covered by this ordinance except those for the purchase of supplies, materials, or equipment, shall include a sworn statement specifically setting forth what affirmative action the contractor will take to insure equality of opportunity in employment during the term of the contract.

Section 5. NOTICE OF CONTRACTS AWARDED. As to each City contract of \$1,000 or more, the contracting authority shall furnish to the Director the name of the contractor to whom such contract has been awarded and the dollar amount for which it was awarded. City contracts of less than one thousand dollars shall be made available upon request of the Director.

Section 6. ASSISTANCE TO CONTRACTORS. The Director may offer the services and facilities of the Department of Human Rights to assist contractors desiring to bid on, or having been awarded a city contract, to comply with the equal opportunity provisions for such contract, and may offer information as to organizations and agencies available to assist such contractor in recruiting, tutoring, training, and/or otherwise preparing potential employees.

Section 7. EMPLOYMENT GOALS, RANGES, OR RATIOS. Whenever the Director has certified to any City contracting authority that:

- (1) Identified minorities are being denied equal employment opportunity within the City in certain occupations, trades, professions or supervisory types of work included in City contracts by reason of creed, race, color, sex, age, or national origin due to existing discrimination or the effects of prior discrimination; and
- (2) Persons within such minorities are ready, willing and capable of accepting such employment or performing such tasks if the opportunity be available; and
- (3) Employment goals, ranges, or ratios for employment of such minorities in such occupations, trades, professions or supervisory types of work or tasks are necessary to assure such persons equality of employment opportunity and to overcome discrimination or the effects of past discrimination and social or institutional inertia; and
- (4) The goals, ranges or ratios certified reasonably reflect the employment goals, ranges or ratios that would exist under conditions of equal employment opportunity and assure fair, equal and nondiscriminatory treatment of all persons without respect to creed, race, color, age, sex, or national origin.

then specifications for contracts let by any contracting authority and involving the line of work or tasks so certified shall include a provision establishing employment goals, ranges or ratios for such minorities as certified by the Director and adjusted by the contracting authority, if necessary, to reflect a standard of performance that can be carried out by a contractor proceeding in good faith and making every reasonable effort to comply in all phases of employment, including solicitation, training and apprenticeship, promotion, and treatment of employees. Such provisions shall include provisions relating to enforcement and sanctions for noncompliance.

Employment goals may be implemented by or stated as a minimum number, ratio, range or a particular assignment, and may include participation in multi-employer programs for training and/or employment or coordination with State and Federal equal opportunity training programs, and shall be designed and used to assure that applicants for employment and employees receive equal employment opportunities and fair, equal and nondiscriminatory treatment without regard to creed, race, color, sex, age, or national origin.

On projects or activities financed with assistance from the United States or the State of Washington, the contracting authority may substitute for such provisions such anti-discrimination or equal employment opportunity provision required or requested by the Department of Human Rights, the United States or the State.

City contracting authorities shall, upon making adjustments or when requested by the Director, submit copies of the contracts covered by this section to the Director for recommendations and further suggestions with regard to minority employment goals which should be part of the specifications. Contracts so submitted to the Director may be assumed adequate if not returned within five days with recommendations for improvement. Contracting authorities shall, as to any contract submitted to the Director under this section, notify the Director for the final form of such contract before the date of its award.

Certifications by the Director under this section shall be in effect until revoked or revised by the Director and the contracting authority is notified of such revocation or revision.

Employment goals established by this section are not intended and shall not be taken to diminish the contractor's responsibility and obligation under other sections of this ordinance. A contractor whom the Director of Human Rights has certified to be acting in good faith and making every reasonable effort to comply with the employment goals established shall be deemed in compliance, even though the employment goals are not met.

Section 8. PROCEDURES WHEN COMPLIANCE WITH SPECIAL GOALS IS UNSATISFACTORY. Prior to the completion of any contract which contains provisions establishing employment goals, ranges or ratios, the Director may report to the contracting authority regarding the performance by such contractor. If the Director fails to submit such report, the City contracting authority may assume adequate compliance.

Coincident with or before a report from the Director asserting unsatisfactory contractor performance is sent to a contracting authority, the Director shall notify the contractor of such report in writing and of the contractor's right to be heard as set forth in this ordinance.

The contracting authority shall give the contractor an opportunity to be heard, after 10 days notice. If the contracting authority concurs with the report of the Director and is satisfied from the evidence that the contractor has failed to comply with the provisions of this ordinance or the promises and/or representations made in a sworn statement pursuant to Section 4 of this ordinance, or with the employment goals established in the contract in accordance with Section 7 of this ordinance, the contracting authority shall so find, and shall not enter into any other contract with such contractor until it is reasonably assured of future satisfactory compliance.

Action under this section shall be in addition to other remedies that may be available to the City under the contract.

Section 9. TRANSITION PERIOD FOR PRE-QUALIFICATION. For a period of three months following the effective date of this ordinance, a contracting authority purchasing supplies, materials, or equipment may find a contractor to be pre-qualified for purposes of Section 3.3 hereof when the contractor has filed the required information and sworn statement with the Director and such contractor shall continue to be pre-qualified unless the contracting authority, with the advice and recommendations of the Director, finds the contractor not qualified.

Section 10. REPEAL OF ORDINANCE 98386. That Ordinance 98386, entitled:

"AN ORDINANCE relating to public works contracts, requiring inclusion therein of certain provisions to prevent discrimination and promote equality of opportunity in employment by persons having or seeking contracts with the City, establishing procedures for the enforcement of compliance therewith, and repealing Ordinance 93939," is hereby repealed.

Approved October 2, 1972.
Effective 30 days.

The amount of deferred revenue required is based on all felony, juvenile, dependency, Seattle Misdemeanor, and King County misdemeanor cases assigned during October, November, and December and open at year-end. For all case areas except dependency it is assumed October cases are 75% completed, November cases are 50% completed, and December cases are 25% completed. For dependency cases it is assumed October cases are 15% completed, November cases are 10% completed, and December cases are 5% completed. The calculation is as follows:

1. Calculate the number of cases open at year-end in each above-referenced case area, for October, November, and December;
2. Multiply the number of open cases for each month by the corresponding percentage of uncompleted work to arrive at the amount of uncompleted casework (in numbers of cases) assumed to be needed to complete, by month;
3. Calculate the per case revenue by dividing the actual annual revenue received for each case category by the actual number of cases assigned in the contract year;
4. Multiply the uncompleted case count (from step 2 above) by the per case revenue amount to determine the deferred revenue required for each case category.
