Each party's funding to perform its obligations under the Agreement, beyond the current appropriation year, is conditional upon appropriation by the party's governing body of sufficient funds to support said obligations. Should such an appropriation not be approved for a future year, a party may exercise its right to withdraw as provided herein.

10.0 Duration

This Agreement shall take effect upon being duly adopted by the governing bodies of all parties and executed by the authorized representatives of all parties. This Agreement shall remain in effect until all the tasks have been completed to the satisfaction of the ETP or until such time as the participating members choose to conclude the program for other reasons, but in no case shall the program extend beyond December 31, 2005, unless terminated earlier or extended in accordance with Section 11.0.

11.0 Termination

All parties to this Agreement must agree to terminate this Agreement in order for such termination to be effective. If all parties desire to terminate this Agreement, they shall execute a Statement of Termination. Upon termination, no party shall be required to make any additional contributions. No employees or agents of one party or any of its contractors or subcontractors shall be deemed, or represent themselves to be, employees of any other party.

16.3 Each party shall defend, indemnify and hold harmless the other party and all of its officials, employees, principals and agents from all claims, demands, suits, actions, and liability of any kind whatsoever which arise out of, are connected with, or are incident to any negligent acts of the first party, its contractor, and/or employees, agents, and representatives in performing the first party's obligations under this Agreement. The parties agree that their obligations under this paragraph extend to claims made against one party by the other party's own employees. For this purpose, the parties, by mutual negotiation, hereby waive any immunity that, as respects the other party only, would otherwise be available against such claims under the industrial insurance provisions of RCW Title 51. In the event either party incurs attorney's fees, costs or other legal expenses to enforce the provisions of this section, against the other party, all such fees, costs and expenses shall be recoverable by the prevailing party.

16.4 The provisions of this Section 16 shall survive and remain applicable to each of the parties notwithstanding any termination or expiration of this Agreement and notwithstanding a party's withdrawal from this Agreement.
