167 Nearshore Initiative Project, and paying costs and expenses incurred in issuing the Series

169 D. Undertaking to Provide Ongoing Disclosure.

170 1. Contract/Undertaking. This section D constitutes the county's written
171 undertaking for the benefit of the owners and beneficial owners of the Notes as required
172 by section (b)(5) of rule 15c2-12 (the "rule") of the Securities and Exchange Commission
173 (the "commission").

174 2. Financial Statements/Operating Data. The county agrees to provide or cause
175 to be provided to each nationally recognized municipal securities information repository
176 ("NRMSIR") and to the state information depository (the "SID"), if any, in each case as

177 designated by the commission in accordance with the rule, the following annual financial
178 information and operating data for the prior fiscal year (commencing in 2007 for the
179 fiscal year ended December 31, 2006):

180 (a) annual financial statements prepared in accordance with the Budget
181 Accounting and Reporting System ("BARS") prescribed by the Washington State Auditor
182 pursuant to RCW 43.09.200 (or any successor statutes) and generally of the type attached
183 to the official statement as "Appendix B," which statements will not be audited, except
184 that if and when audited financial statements are otherwise prepared and available to the
185 county they will be provided;

186 (b) a summary of the assessed value of taxable property in the county;

187 (c) a summary of budgeted General Fund revenues and appropriations;

188 (d) a summary of ad valorem property tax levy rates per \$1,000 of assessed
189 value and delinquency rates;

190 (e) a summary of outstanding tax-supported indebtedness of the county; and

191 (f) a schedule of the aggregate annual debt service on tax-supported
192 indebtedness of the county.

193 Items (b) through (f) shall be required only to the extent that such information is
194 not included in the annual financial statements.

195 Such annual information and operating data described above shall be provided on
196 or before the end of seven months after the end of the county's fiscal year. The county's
197 fiscal year currently ends on December 31. The county may adjust such fiscal year by
198 providing written notice of the change of fiscal year to each then existing NRMSIR and
199 the SID, if any. In lieu of providing such annual financial information and operating

200 data, the county may cross-reference to other documents provided to the NRMSIR, the
201 SID or to the commission, and, if such document is a final official statement within the
202 meaning of the rule, such document will be available from the Municipal Securities
203 Rulemaking Board (the "MSRB").

204 If not provided as part of the annual financial information discussed above, the
205 county shall provide the county's audited annual financial statement prepared in
206 accordance with BARS when and if available to each then existing NRMSIR and the
207 SID, if any.

208 3. Material Events. The county agrees to provide or cause to be provided, in a
209 timely manner, to the SID, if any, and to each NRMSIR or to the MSRB, notice of the
210 occurrence of any of the following events with respect to the Notes, if material:

- 211 (a) principal and interest payment delinquencies;
- 212 (b) non-payment related defaults;
- 213 (c) unscheduled draws on debt service reserves reflecting financial difficulties;
- 214 (d) unscheduled draws on credit enhancements reflecting financial difficulties;
- 215 (e) substitution of credit or liquidity providers, or their failure to perform;
- 216 (f) adverse tax opinions or events affecting the tax-exempt status of the Notes;
- 217 (g) modifications to rights of Noteholders;
- 218 (h) optional, contingent or unscheduled calls of any Notes other than scheduled
219 sinking fund redemptions for which notice is given pursuant to Exchange Act Release 34-
220 23856;
- 221 (i) defeasances;

222 (j) release, substitution or sale of property securing repayment of the Notes;
223 and
224 (k) rating changes.

225 Solely for purposes of disclosure, and not intending to modify this undertaking,
226 the county advises with reference to items (c) and (j) above that no debt service reserves
227 secure payment of the Notes and no property secures repayment of the Notes.

228 4. Notification Upon Failure to Provide Financial Data. The county agrees to
229 provide or cause to be provided, in a timely manner, to each NRMSIR or to the MSRB
230 and to the SID, if any, notice of its failure to provide the annual financial information
231 described in subsection 2 above on or prior to the date set forth in subsection 2 above.

232 5. Centralized Filing. Any filing required to be made with any NRMSIR or
233 SID pursuant to the County's undertaking may be made by transmitting such filing solely
234 to (i) the Texas Municipal Advisory Council (the "MAC") as provided in
235 *http://www.disclosureusa.org* unless the SEC has withdrawn the interpretive advice in its
236 letter to the MAC dated September 7, 2004, or (ii) any other entity for whom the SEC has
237 provided interpretive advice to the effect that a filing solely with such entity shall satisfy
238 an issuer's filing requirements under the Rule.

239 6. Termination/Modification. The county's obligations to provide annual
240 financial information and notices of material events shall terminate upon the legal
241 defeasance, prior redemption or payment in full of all of the Notes. This section, or any
242 provision hereof, shall be null and void if the county (i) obtains an opinion of nationally
243 recognized bond counsel to the effect that those portions of the rule which require this
244 section, or any such provision, are invalid, have been repealed retroactively or otherwise

245 do not apply to the Notes; and (ii) notifies each then existing NRMSIR and the SID, if
246 any, of such opinion and the cancellation of this section.

247 Notwithstanding any other provision of this motion, the county may amend this
248 section D, and any provision of this section D may be waived, with an approving opinion
249 of nationally recognized bond counsel and in accordance with the rule.

250 In the event of any amendment or waiver of a provision of this section D, the
251 county shall describe such amendment in the next annual report, and shall include, as
252 applicable, a narrative explanation of the reason for the amendment or waiver and its
253 impact on the type (or in the case of a change of accounting principles, on the
254 presentation) of financial information or operating data being presented by the county. In
255 addition, if the amendment relates to the accounting principles to be followed in
256 preparing financial statements, (i) notice of such change shall be given in the same
257 manner as for a material event under subsection 3, and (ii) the annual report for the year
258 in which the change is made should present a comparison (in narrative form and also, if
259 feasible, in quantitative form) between the financial statements as prepared on the basis
260 of the new accounting principles and those prepared on the basis of the former accounting
261 principles.

262 7. Note Owners' Remedies Under This Section. The right of any Note owner or
263 beneficial owner of Notes to enforce the provisions of this section shall be limited to a
264 right to obtain specific enforcement of the county's obligations hereunder, and any failure
265 by the county to comply with the provisions of this undertaking shall not be an event of
266 default with respect to the Notes. For purposes of this section, "beneficial owner" means
267 any person who has the power, directly or indirectly, to vote or consent with respect to, or

268 to dispose of ownership of, any Notes, including persons holding Notes through
269 nominees or depositories.

270 E. Further Authority. The county officials, their agents, and representatives are
271 hereby authorized and directed to do everything necessary for the prompt issuance and
272 delivery of the Notes and for the proper use and application of the proceeds of such sale.

273 F. Severability. The covenants contained in this motion shall constitute a
274 contract between the county and the owners of each and every Note. If any one or more
275 of the covenants or agreements provided in this motion to be performed on the part of the
276 county shall be declared by any court of competent jurisdiction to be contrary to law, then
277 such covenant or covenants, agreement or agreements, shall be null and void and shall be

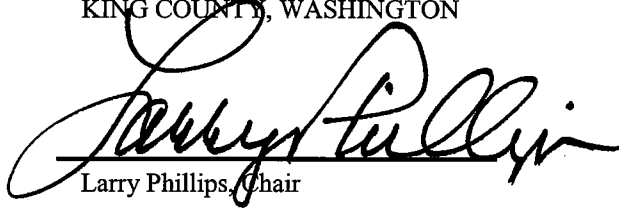

Motion 12373

278 deemed separable from the remaining covenants and agreements of this motion and shall
279 in no way affect the validity of the other provisions of this motion or of the Notes.

Bids shall be without condition and shall be

submitted only on the applicable Official Bid Form that is contained in the Preliminary Official Statement, or on photocopies of such form, or electronically via *PARITY*.

No bid will be considered for either series of the Notes that is less than an amount equal to 98 percent of the par value of the applicable series of the Notes nor more than an amount equal to 102.5 percent of the par value of such series, or for less than the entire offering of the applicable series of the Notes.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours of submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Good Faith Deposit

All bids shall be accompanied by a good faith deposit in the amount of \$500,000 for the 2006A Notes and \$300,000 for the 2006B Notes. The good faith deposit for the applicable series shall be in the form of cash or a certified or bank cashier's check made payable to the order of the Director of the King County Finance and Business Operations Division or a financial surety bond. If a financial surety bond is used, it must be from an insurance company licensed to issue such a bond in the State of Washington and preapproved by the County. Such bond must be submitted to either of the County's financial advisor prior to the opening of the bids. The financial surety bond must identify each bidder whose deposit is guaranteed by such financial surety bond.

If the Notes of either series are awarded to a bidder using a financial surety bond, then that purchaser is required to submit its deposit to the County in the form of a certified or bank cashier's or treasurer's check or wire transfer as instructed by the County not later than 2:00 p.m., Pacific Time, on the next business day following the award. If such deposit is not received by that time, the financial surety bond may be drawn upon by the County to satisfy the deposit requirement. Each good faith deposit in a form other than a financial surety bond shall be returned promptly if the bid is not accepted. The good faith deposit of the successful bidder for each series of the Notes will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of the applicable series of Notes on the delivery of such series of Notes to the successful bidder. Pending delivery of the applicable series of Notes, the good faith deposit may be invested for the sole benefit of the County.

If the Notes of either series are ready for delivery and the successful bidder fails to complete the purchase of such series of Notes within 50 days following the acceptance of its bid, the good faith deposit will be forfeited to the County, and, in that event, the County Council may accept the next best bid or call for additional proposals.

Insurance

Bids for either series of the Notes shall not be conditioned upon obtaining insurance or any other credit enhancement. If the Notes qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs of issuance of the Notes resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of either series of the Notes to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of such series of the Notes.

Award

The Notes of each series will be sold to the bidder making a bid for that series of Notes that conforms to the terms of the offering and that, on the basis of the lowest net interest cost, is the best bid. For the purpose of comparing bids only, the interest rate bid being controlling, each bid shall state the net interest cost of the bid determined in the manner hereinafter stated. The net interest cost will be equal to the total interest cost plus any premium and minus any discount, divided by the bond year dollars.

If there are two or more equal bids for either series of the Notes and those bids are the best bids received, the County Council will determine by lot which bid will be accepted. The County reserves the right to reject any or all bids submitted and to waive any formality in the bidding or bidding process, and, if all bids for an

offering are rejected, the Notes of that series may be readvertised for sale in the manner provided by law and as provided above. Any bid for the Notes presented after the time specified for the receipt of bids will not be received, and any bid not accompanied by the required good faith deposit at the time of opening that bid will not be read or considered.

Adjustment of Principal Amounts and Bid Price After Bid Opening

The County has reserved the right to increase or decrease the preliminary principal amount of each Series of the Bonds by an amount not to exceed ten percent (10%) following the opening of the bids. The price bid by the successful bidder will be adjusted by the County on a proportionate basis to reflect an increase or decrease in the principal amount and maturity schedule within 24 hours after the bid opening. In the event that the County elects to alter the bond size after the bid pursuant to this Official Notice of Sale, the underwriter's discount, expressed in dollars per thousand, will be held constant. The County will not be responsible in the event and to the extent that any adjustment affects (i) the net compensation to be realized by the successful bidder or (ii) the true interest cost of the winning bid or its ranking relative to other bids.

Issue Price Information

Upon award of each series of the Notes, the successful bidder for such series of Notes shall advise the County and Bond Counsel of the initial reoffering price to the public of such series of Notes (the "Initial Reoffering Price"); such reoffering price will be printed on the front cover of the final Official Statement. Simultaneously with or before delivery of the Notes, the successful bidder of each series of Notes shall furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel:

- (i) confirming the applicable Initial Reoffering Price,
- (ii) certifying that a *bona fide* offering of the applicable series of Notes has been made to the public (excluding bond houses, brokers and other intermediaries),
- (iii) stating the price at which a substantial amount of the applicable series of Notes was sold to the public (excluding bond houses, brokers and other intermediaries),
- (iv) stating the price at which any portion of the applicable series of Notes that remains unsold at the date of closing would have been sold on the date such series of Notes were awarded, and
- (v) stating the offering price of each portion of the applicable series of Notes sold to institutional or other investors at discount.

Delivery

The County will deliver the Notes (consisting of a single word-processed certificate for each series of the Notes) to DTC in New York, New York, or to the Note Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing shall occur within 40 days after the sale date. Settlement shall be in federal funds available in Seattle, Washington, on the date of delivery. Delivery is expected to be November 1, 2006.

It is understood that if, prior to the delivery of either series of the Notes, the interest receivable by the owners of such series of Notes becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in this Official Statement for the applicable series of Notes, the successful bidder, at its option, may be relieved of its obligation to purchase such Notes, and in that case the good faith deposit accompanying its bid will be returned without interest.

The approving legal opinion of Gottlieb, Fisher & Andrews, PLLC, Seattle, Washington, Bond Counsel, for each series of the Notes will be provided to the applicable purchaser at the time of the delivery of the Notes. Bond Counsel's opinion will express no opinion concerning the accuracy, completeness or sufficiency of this Official Statement or other offering material relating to the Notes, nor will there be an opinion of Bond Counsel expressed relating to the undertaking of the County to provide ongoing disclosure pursuant to SEC Rule 15c2-12. A no-litigation certificate will be included in the closing papers of the Notes.

12373

CUSIP Number

It is anticipated that a CUSIP identification number will be printed on each series of the Notes, but neither the failure to print such number on the Notes nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Notes in accordance with the terms of this Official Notice of Sale. The successful purchaser of each series of the Notes is responsible for obtaining the CUSIP number. All expenses in relation to the printing of the CUSIP number on the Notes will be paid by the County, but the charge of the CUSIP Bureau shall be paid by the purchaser(s).

Ongoing Disclosure Undertaking

In order to assist bidders in complying with SEC Rule 15c2-12(b)(5), the County will undertake, pursuant to the Sale Motion, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in this Preliminary Official Statement and will also be set forth in the final Official Statement.

Official Statement

The Preliminary Official Statement is in a form deemed final by the County for the purpose of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final Official Statement, which the County will deliver, at the expense of the County, to the purchaser not later than seven business days after the County's acceptance of the purchaser's bid. The County will deliver no more than 250 copies of the final Official Statement. Additional copies will be provided at the purchaser's expense.

By submitting the successful proposal, the purchaser's designated senior representative agrees to file, or cause to be filed, within one business day following the receipt from the County, the final Official Statement with each nationally recognized municipal securities information repository designated by the Securities and Exchange Commission.

At the time of the delivery of the Notes, one or more officials of the County will furnish a certificate stating that to the best of his or her knowledge and belief at the time of the acceptance of the bid for and at the time of delivery of the Notes, this Official Statement and information furnished by the County supplemental thereto did not and do not contain any untrue statements of material fact or omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading in any material respect.

The County will advise the purchaser(s) of the Notes, by written notice, of any "developments that impact the accuracy and completeness of the key presentations" (within the meaning of Rule 15c2-12) contained in the final Official Statement, which may occur during the period commencing on the date of the acceptance by the County of the successful proposal and ending on the 90th day next following that date of acceptance, unless the final Official Statement has been filed with each municipal securities information repository, in which event such period will end on the 25th day.

DATED at Seattle, Washington, this 10th day of October, 2006.
