9 WHEREAS, the county council by Ordinance 15385 passed on March 13, 2006
10 (the "Bond Ordinance"), authorized the issuance and sale of the county's sewer revenue
11 bonds in an aggregate principal amount not to exceed \$150,000,000 to finance a portion

13 and authorized the issuance and sale of the county's sewer revenue bonds in an aggregate

16 WHEREAS, the Bond Ordinance provided that such bonds be sold in one or more
17 series and by negotiated sale or competitive bid as determined by the county's director of

18 finance and business operations (the "Finance Director") in consultation with the county's
19 financial advisors, and

20 WHEREAS, in May of this year, the county sold a first series of such bonds in the
21 aggregate principal amount of \$124,070,000, representing \$100,000,00 of Project Bonds

39 NOW, THEREFORE, BE IT MOVED by the Council of King County:

40 A. Definitions. Except as expressly authorized herein, capitalized terms used in
41 this motion have the meanings set forth in the Bond Ordinance.

42 B. Approval of Bond Purchase Contract and Authorization of Bonds. The
43 issuance of the Bonds, designated as the King County, Washington, Sewer Revenue and

46 Contract attached hereto as Attachment A (the "Purchase Contract") are hereby ratified
47 and confirmed, and the Purchase Contract is hereby approved. The Bonds shall bear
48 interest at the rates set forth in the Purchase Contract and shall conform in all other
49 respects to the terms and conditions specified in the Purchase Contract and Bond
50 Ordinance. The Bonds shall be subject to optional and mandatory redemption as set forth
51 in the Purchase Contract.

52 In accordance with the Purchase Contract, the council hereby accepts the
53 commitment from Financial Security Assurance Inc. (the "Insurer") to provide a
54 municipal bond insurance policy guaranteeing the scheduled payment of principal of and
55 interest on the Bonds (the "Bond Insurance Policy"). The council further authorizes and
56 directs all proper officers, agents, attorneys and employees of the county to cooperate
57 with the Insurer in preparing such additional agreements, certificates, and other
58 documentation on behalf of the county as shall be necessary or advisable in providing for
59 the Bond Insurance Policy.

101 The Refunded Series 2002A Bonds, Refunded Series 1999 Bonds and Refunded
102 Series 1996C Bonds shall be referred to collectively in this motion as the Refunded
103 Bonds. As provided in Section 14 of the Bond Ordinance, the King County 2006
104 (Second Series) Sewer Revenue Bonds Refunding Account (the "Refunding Account")
105 shall be established and maintained with the Escrow Agent (as identified below).
106 Proceeds of the Refunding Bonds (exclusive of accrued interest, if any, which shall be
107 deposited into the Debt Service Account in the Bond Fund) shall be deposited in the
108 Refunding Account and used, together with other funds of the county, if necessary, to

109 purchase certain Government Obligations (which obligations so purchased are herein
110 called "Acquired Obligations"), bearing such interest and maturing as to principal and
111 interest in such amounts and at such times that, together with any necessary beginning
112 cash balance, will provide for the payment of:

113 (a) the interest on the Refunded 2002A Bonds due and payable on and prior to
114 January 1, 2012; and

115 (b) the redemption price (100% of the principal amount) payable on January 1,
116 2012, of the Refunded 2002A Bonds.

117 (c) the interest on the Refunded 1999 Bonds due and payable on and prior to
118 January 1, 2009; and

119 (d) the redemption price (101% of the principal amount) payable on January 1,
120 2009, of the Refunded 1999 Bonds.

121 (e) the interest on the Refunded 1996C Bonds due and payable on and prior to
122 January 1, 2007; and

123 (f) the redemption price (102% of the principal amount) payable on January 1,
124 2007, of the Refunded 1996C Bonds.

125 Any beginning cash balance and the Acquired Obligations shall be irrevocably
126 deposited with the Escrow Agent in an amount sufficient to defease the Refunded Bonds
127 in accordance with the ordinances authorizing the Refunded Bonds. Any amounts
128 described above that are not provided for in full by such beginning cash balance and the
129 purchase and deposit with the Escrow Agent of the Acquired Obligations shall be
130 provided for by the irrevocable deposit of the necessary amount out of the proceeds of
131 sale of the Bonds or any other money of the county legally available therefor. The

132 proceeds of the Bonds remaining in the Refunding Account after acquisition of the
133 Acquired Obligations and provision for the necessary beginning cash balance shall be
134 utilized to pay expenses of the acquisition and safekeeping of the Acquired Obligations
135 and the costs of issuing the Bonds. The county may, from time to time, transfer, or cause
136 to be transferred, from the Refunding Account any money not thereafter required for the
137 purposes set forth in subparagraphs (a) – (f) above, subject to verification in writing by an
138 independent certified public accountant that such transfer will not result in inadequate
139 funds being available to make the required payments therefrom. The county reserves the
140 right to substitute other securities for the Acquired Obligations in the event it may do so
141 pursuant to Section 148 of the Code and applicable regulations thereunder, upon
142 compliance with the conditions set forth in the Escrow Agreement.

143 The selection of U.S. Bank National Association as Escrow Agent is hereby
144 ratified and confirmed.

145 2. Redemption of Refunded Bonds. The county hereby irrevocably sets aside
146 sufficient funds through the purchase of the Acquired Obligations and an initial cash
147 deposit to make the payments specified in subparagraphs (a) – (f) above.

148 The county hereby irrevocably defeases and calls for redemption on January 1,
149 2007, the Refunded 1996C Bonds, on January 1, 2009, the Refunded 1999 Bonds, and on
150 January 1, 2012, the Refunded 2002A Bonds in accordance with the provisions of the
151 ordinances authorizing the redemption and retirement of the Refunded Bonds prior to
152 their fixed maturities.

153 Said defeasance and call for redemption of the Refunded Bonds shall be
154 irrevocable after the final establishment of the Refunding Account and delivery of the

155 Acquired Obligations and the requisite cash deposit, if any, to the Escrow Agent, except
156 as provided herein relating to the substitution of securities. The Finance Director is
157 authorized and requested to provide whatever assistance is necessary to accomplish such
158 defeasance and redemption.

159 The Escrow Agent is hereby authorized and directed to notify the fiscal agency of
160 the State of Washington to give notice of the redemption of the Refunded Bonds in
161 accordance with the applicable provisions of the ordinances authorizing their issuance.
162 The Finance Director is authorized and requested to provide whatever assistance is
163 necessary to accomplish such redemption and the giving of notice therefor. The costs of
164 publication of such notice shall be an expense of the county.

165 The Escrow Agent is hereby authorized and directed to pay to the fiscal agency or
166 agencies of the State of Washington sums sufficient to make, when due, the payments
167 specified in subparagraphs (a) – (f) above. All such sums shall be paid from the money
168 and the Acquired Obligations deposited with the Escrow Agent pursuant to this motion,
169 and the income therefrom and proceeds thereof. All such sums so paid shall be credited
170 to the Refunding Account. All money and Acquired Obligations deposited with the
171 Escrow Agent and any income therefrom shall be held, invested and applied in
172 accordance with the provisions of the Bond Ordinance and with the laws of the State of
173 Washington for the benefit of the county and the owners of the Refunded Bonds.

174 3. Findings of Saving and Defeasance. This council hereby finds and
175 determines that the issuance and sale of the Refunding Bonds at this time will effect a
176 savings to the county and ratepayers of the System. In making such finding and
177 determination, the council has given consideration to the interest on and the fixed

178 maturities of the Refunding Bonds and the Refunded Bonds, the costs of issuance of the
179 Refunding Bonds and the known earned income from the investment of the proceeds of
180 sale of the Refunding Bonds pending redemption and payment of the Refunded Bonds.

181 This council hereby further finds and determines that the Acquired Obligations to
182 be deposited with the Escrow Agent and the income therefrom, together with any
183 necessary beginning cash balance, are sufficient to defease and redeem the Refunded
184 Bonds and will discharge and satisfy the obligations of the county with respect to the
185 Refunded Bonds under the ordinances authorizing their issuance and the pledges of the
186 county therein. Immediately upon the delivery of such Acquired Obligations to the
187 Escrow Agent and the deposit of any necessary beginning cash balance, the Refunded
188 Bonds shall be deemed not to be outstanding under their respective authorizing
189 ordinances and shall cease to be entitled to any lien, benefit or security under such
190 ordinances except the right to receive payment from the Acquired Obligations and
191 beginning cash balance so set aside and pledged.

192 E. Reserve Requirement. In accordance with Section 9.C of the Bond Ordinance,
193 proceeds of the Bonds shall be used to purchase Qualified Insurance in the form of a
194 surety bond (the "Surety Bond") from FSA in an amount sufficient to satisfy the Reserve
195 Requirement with respect to the Bonds. The County agrees to the conditions for
196 obtaining the Surety Bond, including the payment of the premium therefor and the other
197 requirements to be set forth in an agreement to be approved and executed by the Finance
198 Director on behalf of the county. The council further authorizes and directs all proper
199 officers, agents, attorneys and employees of the county to cooperate with the Insurer in

200 preparing such additional agreements, certificates, and other documentation on behalf of
201 the county as shall be necessary or advisable in providing for the Surety Bond.

202 F. Undertaking to Provide Ongoing Disclosure.

203 1. Contract/Undertaking. In accordance with Section 27 of the Bond Ordinance,
204 this Section F constitutes the county's written undertaking for the benefit of the owners
205 and Beneficial Owners of the Bonds as required by Section (b)(5) of the Rule.

206 2. Financial Statements/Operating Data. The county agrees to provide or cause
207 to be provided to each NRMSIR and to the SID, if any, in each case as designated by the
208 Commission in accordance with the Rule, the following annual financial information and
209 operating data for the prior fiscal year (commencing in 2007 for the fiscal year ended
210 December 31, 2006):

211 (a) Annual financial statements showing year-end fund balance for the
212 County's Water Quality Enterprise fund prepared in accordance with the Budget
213 Accounting and Reporting System prescribed by the Washington State Auditor pursuant
214 to RCW 43.09.200 (or any successor statute) and generally of the type included in the
215 official statement for the Bonds under the heading "Appendix C: Excerpts from the
216 County's 2005 Comprehensive Annual Financial Report";

217 (b) Amount of outstanding Parity Bonds; and

218 (c) Information regarding customers, revenues and expenses of the sewer
219 system generally in the form set forth in the Official Statement for the Bonds in the table
220 labeled "Historical Customers, Revenues and Expenses."

221 Items (b) and (c) shall be required only to the extent that such information is not
222 included in the annual financial statements.

223 Such annual information and operating data described above shall be provided on
224 or before seven months after the end of the county's fiscal year. The county's fiscal year
225 currently ends on December 31. The county may adjust such fiscal year by providing
226 written notice of the change of fiscal year to each then existing NRMSIR and the SID, if
227 any. In lieu of providing such annual financial information and operating data, the
228 county may cross-reference to other documents provided to the NRMSIR, the SID or to
229 the Commission and, if such document is a final official statement within the meaning of
230 the Rule, available from the MSRB.

231 If not provided as part of the annual financial information discussed above, the
232 county shall provide the county's audited annual financial statement prepared in
233 accordance with the Budget Accounting and Reporting System prescribed by the
234 Washington State Auditor pursuant to RCW 43.09.200 (or any successor statute) when
235 and if available to each then existing NRMSIR and the SID, if any.

236 3. Material Events. The county agrees to provide or cause to be provided, in a
237 timely manner, to the SID, if any, and to each NRMSIR or to the MSRB notice of the
238 occurrence of any of the following events with respect to the Bonds, if material:

- 239 (a) Principal and interest payment delinquencies;
- 240 (b) Non-payment related defaults;
- 241 (c) Unscheduled draws on debt service reserves reflecting financial difficulties;
- 242 (d) Unscheduled draws on credit enhancements reflecting financial difficulties;
- 243 (e) Substitution of credit or liquidity providers, or their failure to perform;
- 244 (f) Adverse tax opinions or events affecting the tax-exempt status of the
- 245 Bonds;

246 (g) Modifications to rights of Bond holders;

247 (h) Optional, contingent or unscheduled calls of any Bonds other than
248 scheduled sinking fund redemptions for which notice is given pursuant to Exchange Act
249 Release 34-23856;

250 (i) Defeasances;

251 (j) Release, substitution or sale of property securing repayment of the Bonds;

252 and

253 (k) Rating changes.

254 Solely for purposes of disclosure, and not intending to modify this undertaking,
255 the county advises with reference to item (j) above that no property secures payment of
256 the Bonds.

257 4. Notification Upon Failure to Provide Financial Data. The county agrees to
258 provide or cause to be provided, in a timely manner, to each NRMSIR or to the MSRB
259 and to the SID, if any, notice of its failure to provide the annual financial information
260 described in subsection 2 above on or prior to the date set forth in subsection 2 above.

261 5. Centralized Filing. Any filing required to be made with any NRMSIR or SID
262 pursuant to the county's undertaking may be made by transmitting such filing solely to (i)
263 the Texas Municipal Advisory Council (the "MAC") as provided in
264 <http://www.disclosureusa.org> unless the SEC has withdrawn the interpretive advice in its
265 letter to the MAC dated September 7, 2004, or (ii) any other entity for whom the SEC has
266 provided interpretive advice recognizing that a filing solely with such entity shall satisfy
267 an issuer's filing requirements under the Rule.

268 6. Termination/Modification. The county's obligations to provide annual
269 financial information and notices of material events shall terminate upon the legal
270 defeasance, prior redemption or payment in full of all of the Bonds. This section, or any
271 provision hereof, shall be null and void if the county (i) obtains an opinion of nationally
272 recognized bond counsel to the effect that those portions of the Rule that require this
273 section, or any such provision, are invalid, have been repealed retroactively or otherwise
274 do not apply to the Bonds; and (ii) notifies each then existing NRMSIR and the SID, if
275 any, of such opinion and the cancellation of this section.

276 Notwithstanding any other provision of this motion, the county may amend this
277 Section F, and any provision of this Section F may be waived, with an approving opinion
278 of nationally recognized bond counsel and in accordance with the Rule.

279 In the event of any amendment or waiver of a provision of this Section F, the
280 county shall describe such amendment in the next annual report, and shall include, as
281 applicable, a narrative explanation of the reason for the amendment or waiver and its
282 impact on the type (or in the case of a change of accounting principles, on the
283 presentation) of financial information or operating data being presented by the county. In
284 addition, if the amendment relates to the accounting principles to be followed in
285 preparing financial statements, (i) notice of such change shall be given in the same
286 manner as for a material event under subsection 3, and (ii) the annual report for the year
287 in which the change is made should present a comparison (in narrative form and also, if
288 feasible, in quantitative form) between the financial statements as prepared on the basis
289 of the new accounting principles and those prepared on the basis of the former accounting
290 principles.

291 7. Bond Owner's Remedies Under This Section. The right of any Bond owner
292 or Beneficial Owner of Bonds to enforce the provisions of this section shall be limited to
293 a right to obtain specific enforcement of the county's obligations hereunder, and any
294 failure by the county to comply with the provisions of this undertaking shall not be an
295 event of default with respect to the Bonds hereunder. For purposes of this section,
296 "Beneficial Owner" means any person who has the power, directly or indirectly, to vote
297 or consent with respect to, or to dispose of ownership of, any Bonds, including persons
298 holding Bonds through nominees or depositories.

299 G. Further Authority. The county officials, their agents, attorneys and
300 representatives are hereby authorized and directed to do everything necessary for the
301 prompt issuance and delivery of the Bonds and for the proper use and application of the
302 proceeds of such sale.

303 H. Severability. If any provision in this motion is declared by any court of
304 competent jurisdiction to be contrary to law, then such provision shall be null and void

Motion 12389

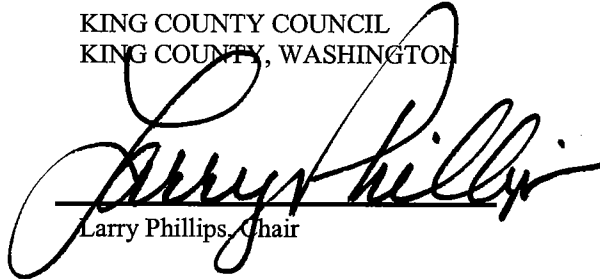

305 and shall be deemed separable from the remaining provisions of this motion and shall in
306 no way affect the validity of the other provisions of this motion or of the Bonds.

BOND PURCHASE CONTRACT

November 6, 2006

King County, Washington

Ladies and Gentlemen:

Citigroup Global Markets, Inc. (the "Representative"), acting on behalf of itself, A.G. Edwards & Sons, Inc., Merrill Lynch & Co. and Siebert Brandford Shank & Co., L.L.C., (collectively, the "Underwriters"), offers to enter into this bond purchase contract (together with the exhibit attached hereto, the "Contract") with King County, Washington (the "County"), regarding the above-referenced bonds (the "Bonds"), which upon acceptance of this offer by the County will be binding upon the County and the Underwriters. This offer is made subject to receipt by the Representative of the documents described in this Contract and to the County's acceptance by executing this Contract and delivering it to the Representative at or prior to 11:00 p.m., Pacific Time, on the date hereof. If not so accepted, this offer will be subject to withdrawal by the Representative upon notice delivered to the County at any time prior to acceptance hereof by the County. Upon acceptance of this offer in accordance with the terms hereof, this Contract will constitute a binding agreement between the County and the Underwriters.

All capitalized terms used herein shall have the respective meanings ascribed to them in the Bond Ordinance (defined herein), unless otherwise defined herein.

The County and the Underwriters hereby agree as follows:

1. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations, warranties and covenants set forth in this Contract, the Underwriters hereby agree to purchase from the County, and the County hereby agrees to execute, sell and deliver to the Underwriters, all (but not less than all) of the \$193,435,000 aggregate principal amount of the Bonds. The Bonds shall be dated the date of their initial delivery to the Underwriters; shall be fully registered as to both principal and interest; and shall bear interest at the rates per annum, be payable as to principal and interest and have such terms relating to redemption as are set forth in Exhibit A attached hereto and such other terms and provisions as are set forth in the Official Statement (defined herein). Payment when due of the regularly scheduled principal of and interest on the Bonds shall be insured by a municipal bond insurance policy (the "Policy") issued by Financial Security Assurance Inc. (the "Insurer").

2. The purchase price for the Bonds shall be \$203,220,109.91 (representing the aggregate principal amount of the Bonds plus an original issue premium of \$10,549,143.65 less an underwriting discount of \$764,033.74) (the "Purchase Price").

3. Closing. Subject to the terms and conditions of this Contract, the delivery of the Bonds and payment of the Purchase Price (the "Closing") shall take place at the King County Office of Finance no later than 8:30 a.m., Pacific Time, on November 30, 2006, or on such other day or at such other place as shall be agreed to by the Representative and the County (the "Closing Date"). At the Closing:

(a) the County shall deliver to the Underwriters (i) the Bonds as provided in clause (c) of this paragraph and (ii) the other instruments and documents required to be delivered to the Representative at the Closing pursuant to paragraph 5(f);

(b) the Underwriters shall pay the Purchase Price to or to the order of the County in federal funds (by any combination of one or more electronic funds or wire transfers as may be agreeable to the County and the Representative); and

(c) the Bonds initially shall be held in fully registered form by The Depository Trust Company ("DTC") acting as depository pursuant to the terms and conditions set forth in the County's Blanket Issuer Letter of Representations with DTC. The Bonds shall be issued in denominations equal to the aggregate principal amount of each maturity and initially shall be registered in the name of Cede & Co., as the nominee of DTC. The County shall deliver the Bonds to or to the order of DTC at least one full business day before the Closing for purposes of inspection. The Bonds delivered at the Closing shall bear proper CUSIP numbers to be obtained by the Representative (provided, however, that neither the printing of an incorrect CUSIP number on any Bond nor the failure to print a proper CUSIP number on any Bond shall constitute cause to refuse delivery of that Bond).

4. Deliveries to Be Made Upon Acceptance; Delivery of Official Statement.

(a) At or prior to the time of the execution of this Contract, the County shall deliver to the Representative (a) a copy of Ordinance 15385 passed on March 13, 2006 and a Motion of the County Council adopted this date (the "Bond Sale Motion") and (b) two copies of the Preliminary Official Statement of the County dated October 27, 2006, relating to the Bonds (the "Preliminary Official Statement"), which the County has "deemed final" except for information permitted to be omitted under paragraph (b)(1) of Rule 15c2-12 ("Rule 15c2-12") of the Securities and Exchange Commission. At or prior to the time of the execution of this Contract, or promptly thereafter, the County shall deliver to the Representative a copy of the Sale Motion of the County Council to be adopted on the date of this Contract, approving this Contract and authorizing the issuance and sale of the Bonds (together with Ordinance 15385 and the Bond Sale Motion, the "Bond Ordinance"). The Official Statement of the County, dated the date of this Contract, in the form of the Preliminary Official Statement (including the cover and inside cover thereof and all appendices, exhibits, reports and statements included therein or attached thereto), together with such amendments or supplements thereto that have been approved by the Representative as of the date of this Contract, as executed by the Director of the County's Finance and Business Operations Division, is referred to as the "Official Statement."

(b) As soon as possible, but in any event no more than seven business days after the time of the County's acceptance of this Contract, the County shall deliver to the Representative as many copies of the Official Statement as are required to permit the Underwriters to comply with the requirements of Municipal Securities Rulemaking Board ("MSRB") Rule G-32 and Rule 15c2-12. The County hereby ratifies, approves and confirms the distribution and use of the Preliminary Official Statement by the Underwriters and hereby authorizes the distribution and use of the Official Statement in connection with the public offering and sale of the Bonds.

(c) If, between the date of this Contract and 25 days after the "end of the underwriting period," as that term is defined in paragraph (f)(2) of Rule 15c2-12, any event shall occur or any preexisting fact shall become known by the County that might or would cause the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the County shall promptly notify the Representative, and if, in the reasonable opinion of the Representative, such event requires preparation and distribution of a supplement or amendment to the Official Statement, the County will, at its expense, supplement or amend the Official Statement in a form and in a manner approved by the Representative, which approval shall not be unreasonably withheld. The end of the underwriting period shall be the Closing Date unless the County is informed otherwise in writing by the Representative. If the Official Statement is supplemented or amended pursuant to this subparagraph, as of the date of each supplement or amendment thereto, to the best of the County's knowledge after due review and investigation, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit or fail to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

5. Representations and Warranties of the County. The County hereby represents and warrants to the Underwriters, and (as appropriate) covenants to the Underwriters, as follows:

(b) In the Sale Motion, the County entered into a written agreement or contract constituting the "Undertaking" to provide ongoing disclosure about the County for the benefit of the holders of the Bonds as required by paragraph b(5)(i) of Rule 15c2-12 and in the form summarized in the Preliminary Official Statement.

(c) This Contract, the Escrow Agreement, the Official Statement and the Bonds (when delivered and paid for at the Closing) have been or at the Closing shall be duly authorized, approved, executed, delivered and (in the case of the Bonds) registered and issued. This Contract constitutes, and the Bonds, when registered, issued, executed and delivered, will constitute, legal, valid and binding obligations of the County enforceable in accordance with their respective terms, except to the extent that enforceability is subject to bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights generally. The performance by the County of its obligations contained in this Contract, the Bond Ordinance, the Bonds and the Escrow Agreement and the consummation by it of all transactions contemplated by this Contract, the Bond Ordinance, the Bonds, the Escrow Agreement and the Official Statement to have been performed or consummated at or prior to the Closing have been duly authorized and approved by the County, as the case may be. The Bond Ordinance has been duly and lawfully passed by the County, is in full force and effect and is valid and binding upon the County and enforceable in accordance with its terms, except to the extent that enforceability is subject to bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights generally. When delivered and paid for at the Closing, the Bonds shall be entitled to the benefits and the security, and shall be subject only to the terms and conditions, set forth in the Bond Ordinance and described in the Official Statement. The issuance of the Bonds is permitted by, and the Bonds when issued will be issued in compliance with, the provisions of the Bond Ordinance.

(d) To the best of the knowledge of the Director of the County's Finance and Business Operations Division, after due inquiry, the County is not in material breach of, or in material default under, any indenture, bank loan or credit agreement, bond or note, nor is the County in default under any statute, ordinance, resolution or (in any material respect) any other agreement or instrument, regulation, order, decree, license, permit, judgment, ruling or law or constitutional provision to which the County is a party, which breach or default would adversely affect the validity or enforceability of the Bonds.

(e) The passage of the Bond Ordinance, the execution, delivery and performance of this Contract and the Escrow Agreement, the issuance and sale of the Bonds and the consummation of the transactions contemplated by this Contract and by the Bond Ordinance, the Bonds, the Escrow Agreement and the Official Statement will not in any material respect conflict with or constitute on the part of the County a material breach of or material default under any agreement, indenture, bond, note, statute, ordinance, resolution or other instrument to which the County is a party or to which it is bound or subject, and which breach or default would adversely affect the validity or enforceability of the Bonds.

(f) Except as described in the Official Statement, no litigation or other action, suit, proceeding, inquiry or investigation before or by any court or agency or other administrative body (either of the State of Washington or the United States Government) is pending or, to the knowledge of the County, threatened, that in any way restrains or enjoins, or threatens or seeks

to restrain or enjoin, the issuance, sale or delivery of the Bonds or in any way contests, questions or affects (i) the validity or enforceability of any provision of this Contract, the Bond Ordinance, the Bonds or the Escrow Agreement; (ii) the County's pledge under the Bond Ordinance of (A) the Revenue of the System, (B) investment earnings on money credited to the Revenue Fund, (C) the money credited to the Bond Fund and (D) proceeds of the sale of the Project Bonds to the extent that they are held in funds established by the Bond Ordinance; (iii) the accuracy, completeness or fairness of the Official Statement; or (iv) the legal existence of the County, the title of its elected officers to their respective offices, or the County's authority to perform its obligations hereunder or with respect to the Bonds, or to consummate any of the transactions to which it is or is to be a party as contemplated by this Contract, the Bond Ordinance, the Bonds, the Escrow Agreement or the Official Statement; to the best knowledge of the Director of the County's Finance and Business Operations Division, after due inquiry, there is no other event or circumstance that would have a material adverse effect on the power or ability of the County to perform its obligations hereunder or with respect to the Bonds or to consummate the transactions to which it is or is to be a party as contemplated by this Contract, the Bond Ordinance, the Bonds, the Escrow Agreement or the Official Statement.

(g) The Official Statement as of the date of this Contract is true and complete in all material respects and does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the information contained therein not misleading. However, no warranty is given with respect to the information under the caption entitled "LEGAL AND TAX INFORMATION—Tax Exemption" and the information concerning the Insurer, the Policy, DTC and the book-entry system.

(h) The County does not intend to issue or incur, and the County is not aware of any plans to issue or incur, prior to the issuance of the Bonds, any other bonds, notes or other obligations for borrowed money the repayment of which is backed by a pledge of or lien on Revenue of the System or any material liabilities, direct or contingent, that will have a material adverse effect on the financial condition of the Sewer System, nor does the County expect there to be any adverse change of a material nature in the financial position, results of operations or condition, financial or otherwise, of the Sewer System.

(i) In the previous five years, the County has not failed to comply, in all material respects, with any previous undertaking in a written contract or agreement specified in paragraph (b)(5)(i) of Rule 15c2-12.

(j) Except as described in the Official Statement, all approvals, consents and other actions by, and all filings or registrations with or notices to, any governmental or administrative authority or agency having jurisdiction in the matter required to be obtained by the County as a condition precedent to the performance by the County of its obligations under this Contract, the Bond Ordinance, the Bonds or the Escrow Agreement have been obtained and are in full force and effect (except no representation is made as to compliance with Blue Sky laws).

(k) Any certificates signed by any authorized representative or officer of the County and delivered to the Representative shall be deemed a representation and warranty by the

County to the Underwriters as to the statements made therein with the same effect as if such representation and warranty were set forth herein.

(l) The County will furnish such information, execute such instruments and take such other action not inconsistent with law or established policy of the County in cooperation with the Representative as may be requested (i) to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the Representative; and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds, provided, however, that the County shall not be required to execute a general or special consent to service of process or qualify to do business in connection with any such qualification or determination in any jurisdiction. The County consents to the use of this Contract, the Bond Ordinance, the Escrow Agreement and the Official Statement by the Underwriters in obtaining such qualifications.

(m) The County has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the County is a bond issuer whose arbitrage certificates may not be relied upon.

(n) The financial statements of the County contained in the Official Statement fairly present the financial position of the Sewer System as of the dates and for the periods therein set forth; such financial statements have been prepared in accordance with generally accepted accounting principles applicable to governmental entities in the State of Washington, except to the extent described therein, and there has been no material adverse change in the financial position or results of operations of the Sewer System from those set forth in the Official Statement.

6. Conditions to the Obligations of the Underwriters. In addition to any other conditions herein stated, the obligations of the Underwriters hereunder are subject to the following conditions:

(a) The Bonds shall be issued and secured under and pursuant to the Bond Ordinance and shall be as described in and shall have the terms and conditions set forth in the Bond Ordinance and the Official Statement.

(c) As of the date of the Official Statement, the Official Statement shall not have contained an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and at the time of

the Closing, the Official Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(d) Subsequent to the respective dates as of which information is given in the Official Statement, and prior to the Closing, no material adverse change, or any development involving a prospective material adverse change, in the condition of the County, financial or otherwise, shall have taken place (other than as referred to in or contemplated by the Official Statement), and if prior to the Closing such an event occurs the County shall promptly notify the Representative, and if in the opinion of the Representative and its counsel such event requires a supplement or amendment to the Official Statement, the County will supplement or amend the Official Statement at its expense, in a form and in a manner approved by the Representative and Foster Pepper PLLC, counsel to the Underwriters.

(e) The representations and warranties of the County contained herein shall have been true and complete on the date made and shall be true and complete at the time of the Closing with the same effect as if made at such time.

(f) At or prior to the Closing, unless otherwise agreed by the Representative in writing, the Representative shall receive the following documents:

bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, to the application of equitable principles and to the exercise of judicial discretion and are entitled to the benefits and security provided by the Bond Ordinance; (D) the Bond Ordinance creates the valid pledge of and lien on the Revenue of the System that it purports to create, which lien secures the payment of the principal of, premium, if any, and interest on the Bonds, subject to the provisions of the Bond Ordinance; (E) the County has duly authorized the Director of the County's Finance and Business Operations Division to approve and execute the Official Statement; (F) no consent or approval of, or registration or filing with, any commission, board, authority, regulatory body or instrumentality of the State of Washington is or was required in connection with any of the actions of the County taken in regard to the approval and issuance of the Bonds, except such consents, approvals, registrations or filings as have been obtained on or prior to this date, nor is any election or referendum of voters required in connection therewith; provided, however, that no opinion is to be provided with respect to compliance with any Blue Sky laws; (G) the Bonds and their offer and sale are exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and the Bond Ordinance is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"); and (H) the statements contained in the Official Statement under the captions "THE BONDS," "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS," "INITIATIVE AND REFERENDUM" and "LEGAL AND TAX INFORMATION" (except under the caption "Absence of Litigation Affecting the Bonds") and in Appendix A—"Summary of the Bond Ordinance," insofar as such statements contained under such captions or in such appendix purport to summarize certain provisions of this Contract, the Bond Ordinance and the Bonds, are true and correct, and that based solely upon their participation as Bond Counsel in certain conferences with representatives of the County, the Underwriters, the financial advisor to the County and Underwriters' counsel, during which conferences the contents of the Official Statement and related matters were discussed, and without having undertaken to determine independently the accuracy and completeness of the statements contained in the Official Statement, no facts came to the attention of the attorneys of such firm rendering legal services in connection with such representation that caused such firm to believe that the Official Statement (except for information concerning the Insurer, the Policy, DTC and the book-entry transfer system and any financial, demographic and statistical data and projections included in the Official Statement, as to all of which no view need be expressed) as of its date contained, or that the Official Statement as the same may have been amended or supplemented to the Closing Date (except as aforesaid) as of the Closing contains, any untrue statement of a material fact or that the Official Statement omitted as of its date, or that the Official Statement as so amended or supplemented omits as of the Closing, to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were or are made, not misleading. Such supplemental opinion may be subject to laws relating to bankruptcy, insolvency, reorganization or moratorium by other similar laws affecting creditors' rights generally or to the exercise of judicial discretion in accordance with principles of equity.

(iv) An opinion of Bond Counsel, dated the Closing Date and addressed to the Underwriters, to the effect that the money and/or Acquired Obligations set aside in the Refunding Account pursuant to the Escrow Agreement to defease the Refunded Bonds are irrevocably set aside and pledged for such purpose, and the Refunded Bonds are legally defeased

and deemed not to be outstanding under the authorizing legislation pursuant to which they were issued.

(v) An opinion, dated the Closing Date and addressed to the Underwriters, of Foster Pepper PLLC, counsel to the Underwriters, to the effect that (A) the offer and sale of the Bonds by the Underwriters are exempt from the registration requirements of the Securities Act; (B) the Bond Ordinance is exempt from qualification under the Trust Indenture Act; (C) the Undertaking and this Contract together provide a suitable basis for the Underwriters to reasonably determine, pursuant to paragraph (b)(5)(i) of Rule 15c2-12, that the County has undertaken, in a written agreement or contract for the benefit of the holders of the Bonds, to provide the annual financial information and notices required by paragraph (b)(5)(i) of Rule 15c2-12; and (D) no information came to the attention of the attorneys in such firm rendering legal services in connection with the issuance of the Bonds that caused such attorneys to believe that the Official Statement (except any financial, economic or statistical data contained in the Official Statement, any information contained in the Official Statement regarding the Insurer, the Policy, DTC or how interest on the Bonds is treated for federal income tax purposes, and the information contained in Appendices B, C, D, E, F, G and H to the Official Statement, as to all of which no opinion or belief need be expressed), as of its date and as of the Closing Date, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading.

(vii) The Official Statement and each supplement or amendment, if any, thereto, executed on behalf of the County by the Director of its Finance and Business Operations Division.

(xiii) A tax exemption and non-arbitrage certificate dated the Closing Date signed by an authorized representative or officer of the County setting forth facts, estimates and circumstances (including covenants of the County) in existence as of the Closing, sufficient to support the conclusion that it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of the Internal Revenue Code of 1986, as amended, and stating that to the best of his or her knowledge and belief, there are not other facts, estimates or circumstances that would adversely affect such expectations.

(xiv) A certificate of the Escrow Agent, executed by an authorized officer of the Escrow Agent, dated the Closing Date, to the effect that (A) the Escrow Agent is a duly organized and validly existing national banking association under the laws of the United States of America, legally doing business in and duly qualified to exercise trust powers in the State of Washington, eligible under the Escrow Agreement to act as Escrow Agent thereunder, and has full corporate right, power and authority to accept the trusts contemplated by and to perform all duties and obligations on its part to be performed and to take all actions required or permitted on its part to be taken under and pursuant to the Escrow Agreement; (B) the Escrow Agent has duly authorized the acceptance of the trusts contemplated by the Escrow Agreement, has duly accepted the duties and obligations of Escrow Agent thereunder, and the duties and obligations of the Escrow Agent under the Escrow Agreement constitute valid, legal and binding obligations of the Escrow Agent in accordance with the terms of the Escrow Agreement subject to customary qualifications and exceptions; (C) all approvals, consents, authorizations, elections and orders of or filings or registrations with any governmental authority, agency, board or commission having jurisdiction in the matter which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the Escrow Agent of its duties and obligations under the Escrow Agreement, have been obtained and are in full force and effect; (D) the acceptance of the duties and obligations of the Escrow Agent under the Escrow Agreement and the performance or the consummation of the transactions on the part of the Escrow Agent contemplated in the Escrow Agreement and the compliance by the Escrow Agent with the terms, conditions and provisions of the Escrow Agreement have been duly authorized by all necessary corporate action on the part of the Escrow Agent and do not contravene any provision of applicable law or regulation or any order, decree, writ or injunction or the Escrow Agent's articles of association or bylaws, and do not require consent under (except to the extent such consent has been obtained), or result in a breach of or default under, any credit agreement or other instrument to which the Escrow Agent is a party or is otherwise subject or bound; and (E) there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency or public board or body, pending or threatened, in any way contesting or affecting the creation, organization or existence of the Escrow Agent or the authority of the Escrow Agent to accept or perform the duties and obligations of the Escrow Agent under the Escrow Agreement.

(xv) Such additional legal opinions, certificates, instruments and other documents as the Representative may reasonably request to evidence the accuracy, as of the date

hereof and as of the Closing, of the County's representations and warranties contained herein and in the Official Statement and contained in any of the certificates or other documents referred to in this Contract, as the same may be supplemented or amended, and the due performance and satisfaction by the County at or prior to the Closing of all agreements then to be performed and all conditions then to be satisfied by the County.

All certificates, opinions and other documents and instruments delivered pursuant to this paragraph 5 shall be satisfactory in form and substance to the Representative and to Foster Pepper PLLC, counsel to the Underwriters, provided approval of such form and substance shall not be unreasonably withheld.

7. Termination of Contract. The Representative shall have the right in its sole discretion to cancel the Underwriters' obligations hereunder to purchase the Bonds (and such cancellation shall not constitute a default hereunder) by notifying the County of its election to do so between the date hereof and the Closing if, at any time hereafter and prior to the Closing:

(a) The marketability of the Bonds or the market price thereof, in the opinion of the Representative, has been materially adversely affected by (i) an amendment to the Constitution of the United States of America or by any legislation which shall have been introduced in or enacted by the Congress of the United States; (ii) legislation pending in the Congress of the United States; or (iii) legislation (including any amendment thereto, whether or not in formal bill form) recommended to the Congress of the United States or otherwise endorsed for passage (by press release, other form of notice or otherwise) by the President of the United States, the Treasury Department of the United States, the Internal Revenue Service or the Chairman or ranking minority member of the Committee on Finance of the United States Senate or the Committee on Ways and Means of the United States House of Representatives; or (iv) legislation (including any amendment thereto, whether or not in formal bill form) proposed that may have an effective date prior to the Closing for consideration by either such Committee or by any member thereof or presented as an option for consideration by either such Committee by the staff of such Committee, or by the staff of the Joint Committee on Taxation of the Congress of the United States; or (v) legislation favorably presented for passage to either House of the Congress of the United States by a Committee of such House to which such legislation has been referred for consideration; (vi) a decision by a court of the United States or the Tax Court of the United States; or (vii) a ruling, regulation or official statement by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency, with respect to federal taxation of revenues or other income of the general character expected to be derived by the County or upon interest received on securities of the general character of the Bonds or which would change, directly or indirectly, the federal income tax consequences resulting from ownership of or receipt of interest on securities of the general character of the Bonds in the hands of the owners thereof.

(b) Any legislation, ordinance, rule or regulation shall be introduced in or be enacted by any governmental body, department or agency in the State of Washington, or a decision by a court within the State of Washington shall be rendered, which in the Representative's opinion, materially adversely affects the marketability of the Bonds or the ability of the Underwriters to enforce contracts for sale of the Bonds.

(c) In the Representative's opinion, any act or event shall exist or may exist that requires or has required an amendment or supplement to the Official Statement, or the subject matter of any amendment or supplement to the Official Statement materially and adversely affects (i) the market price or marketability of the Bonds or (ii) the ability of the Underwriters to enforce contracts for sale of the Bonds.

(d) The New York Stock Exchange or other national securities exchange, the MSRB, the National Association of Securities Dealers, Inc. (the "NASD"), or any governmental authority or agency shall impose, as to the Bonds or obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the offering, sale and distribution, or extension of credit in connection with the purchase of the Bonds.

(e) A general banking moratorium shall have been established by the United States or State of New York or State of Washington authorities.

(f) Any amendment to the Constitution of the United States of America, any legislation enacted by the United States of America, any decision of any court of the United States of America, or any order, ruling, regulation or official statement issued or made by or on behalf of the Securities and Exchange Commission, or of any other governmental agency having jurisdiction over the subject matter, having the effect that obligations of the general character of the Bonds, or the Bonds, are not exempt from the registration requirements of the Securities Act, or that the Bond Ordinance is not exempt from qualification under the Trust Indenture Act.

(g) Any rating of the Bonds or any other sewer revenue obligations of the County shall have been downgraded or withdrawn by a national rating service, which event, in the Representative's opinion, materially adversely affects the market price of the Bonds, or any proceeding shall be pending or threatened by the Securities and Exchange Commission or the Attorney General of the State of Washington against the County relating to the Bonds.

(h) There shall have occurred any outbreak or escalation of hostilities or any national or international calamity or crisis including financial crisis, the effect of which on the financial markets of the United States being such, as in the reasonable judgment of the Representative, would make it impracticable for the Underwriters to market the Bonds or to enforce contracts for the sale of the Bonds.

8. Effect of Termination. If the sale to the Underwriters of the Bonds, as herein contemplated, is not carried out by the Underwriters for any reason permitted hereunder or if such sale is not carried out because the County shall be unable to comply with any of the terms hereof, the County shall not be under any obligation or liability under this Contract (except to the extent provided in paragraph 8), and the Underwriters shall be under no obligation or liability to the County.

9. Payment of Costs.

(a) Whether or not the Bonds are issued as contemplated by this Contract, the Underwriters shall be under no obligation to pay, and the County hereby agrees to pay, any expenses incident to the performance of the County's obligations hereunder, including but not

limited to (i) the costs of the preparation and printing of the Bonds and the Bond Ordinance, preparation, printing and distribution of the Official Statement, and preparation of all other documents prepared by the County, Bond Counsel or other counsel to the County; (ii) the fees and disbursements of Bond Counsel; (iii) the fees and disbursements of other counsel to the County; (iv) the fees of agencies rating the Bonds; (v) the fees of the Bond Registrar; (vi) the fees and disbursement of accountants, consultants and advisors to the County, including the fees of the financial advisor to the County and fees of the Escrow Agent; and (vii) any other costs and expenses, including costs and expenses of credit enhancement for the Bonds and any costs and expenses of the County incident to the performance of its obligations in connection with the authorization, issuance and sale of the Bonds to the Underwriters.

(b) The Underwriters shall pay (i) any fees assessed upon the Underwriters with respect to the Bonds by the MSRB, the NASD or any NRMSIR; (ii) all advertising expenses in connection with any public offering of the Bonds; (iii) the costs of qualifying the Bonds under the Blue Sky or other securities laws of such jurisdictions as the Underwriters may determine and the costs of the preparation and printing of Blue Sky memoranda; and (iv) all other costs and expenses incurred by them in connection with any public offering and distribution of the Bonds, including the fees and disbursements of Foster Pepper PLLC, counsel to the Underwriters.

10. Indemnification. To the extent permitted by law, the County shall indemnify and hold harmless the Underwriters, each of their partners, officers and employees and each person who controls any of the Underwriters within the meaning of Section 15 of the Securities Act (each, an "Indemnified Party"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject under any statute or at law or in equity or otherwise, and shall reimburse any such Indemnified Party for any legal or other expenses incurred by it in connection with investigating any claims against it and defending any actions, but only to the extent that such losses, claims, damages, liabilities or actions arise out of or are based upon (i) determination that the Bonds should have been registered under the Securities Act or the Bond Ordinance should have been qualified under the Trust Indenture Act, or (ii) any untrue statement of a material fact contained in the Official Statement and any supplement thereto, or the omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The indemnity as described in this paragraph is limited to such losses or damages as are directly the result of the acts or omissions of the County and, should any Indemnified Party make a claim for indemnity under this Contract, the County shall have the right to (i) retain counsel to defend any such action and (ii) control and direct any defense of such claims in such action. This indemnity shall not be construed as a limitation on any other liability which the County may otherwise have to any Indemnified Party, provided that in no event shall the County be obligated for double indemnification.
