1 A MOTION authorizing temporary free disposal of storm-
2 related debris resulting from the November 2006 storm
3 event.

4

5

6 WHEREAS, King County experienced unusually destructive rain, flooding and
7 other secondary hazards ("the storm") beginning November 6, 2006, causing significant
8 damage to homes and other property, and

9 WHEREAS, the executive, on November 6, 2006, declared a storm emergency
10 for King County, and

11 WHEREAS, disposal of solid waste material resulting from the storm at normal
12 disposal fees would cause financial hardship for many property owners and could delay
13 the cleanup of debris, and

14 WHEREAS, all of King County will benefit from the prompt cleanup of debris
15 caused by the storm, and

16 WHEREAS, the executive, on November 9, 2006, called for a temporary waiver
17 of solid waste fees for the disposal of storm-related debris at county disposal sites
18 beginning November 18, 2006, ending November 19, 2006, and

19 WHEREAS, the estimated loss of revenue resulting from the temporary solid
20 waste disposal fee waiver is approximately \$50,000;

21 NOW, THEREFORE, BE IT MOVED by the Council of King County:

22 A. The King County council, in light of the storm emergency that has occurred
23 beginning November 6, 2006, affirms that it is in the best interest of the county to waive
24 the solid waste disposal service fees provided for in KCC 10.12.021, and hereby
25 temporarily waives such fees for storm-related debris resulting from the storm of
26 November 2006.

27 B. Loads of storm-related debris from commercial haulers will not be accepted at
28 no charge without prior authorization by the division manager of the King County solid
29 waste division.

30 C. This temporary fee suspension is only authorized from November 18, 2006,
31 through November 19, 2006.

32 D. The following special conditions apply to the temporary suspension of the
33 disposal fee for storm-related debris:

34 1. All King County residents are eligible, except those who live in the cities of
35 Seattle and Milton, which are not part of King County's solid waste handling system;

36 2. King County residents must provide acceptable proof of residence such as a
37 current utility bill or other piece of mail containing the resident's current address;

38 3. All loads must be properly secured; unsecured loads will be subject to
39 unsecured load fees in accordance with K.C.C. 10.12.040;

40 4. Loads of storm-related debris may be inspected by King County solid waste
41 division staff, and division staff reserve the right to limit quantities disposed without
42 charge;

43 5. Only storm-related debris may be disposed at no charge; split loads of mixed
44 storm-related debris and regular solid waste will be charged at the regular solid waste
45 disposal rate; and

46 6. All standard King County waste acceptance policies apply, which are K.C.C.
47 Title 10 and King County Public Rules and Regulations: Waste Acceptance Rule for
48 King County Solid Waste Division Solid Waste Handling Facilities, which can be found
