**Motion 13199**

**Proposed No. 2010-0215.1**

**Sponsors Lambert**

1           A MOTION to support recommendations to the  
2           Washington state Board on Geographic Names for the  
3           naming of several creeks in or near the city of Redmond.

4  
5           WHEREAS, the Washington state Board on Geographic Names has solicited  
6           input on the proposed naming of five small waterways in east King County, and

7           WHEREAS, the unnamed creek that joins the Sammamish river at Marymoor  
8           park will be considered by the Board on Geographic Names for designation as Clise  
9           creek after the Clise family, which owned the three hundred five acres that eventually  
10          became Marymoor park, and

11          WHEREAS, the creek often referred to as Idylwood creek in planning documents,  
12          newsletters and interpretive signs, and that runs through Idylwood park on the western  
13          shore of Lake Sammamish, will be considered by the Board on Geographic Names for  
14          designation as Idylwood Creek and

15          WHEREAS, the creek known generally as Peters creek, which flows from the  
16          hills just west of Redmond's downtown and east into the Sammamish river, will be  
17          considered by the Board on Geographic Names for designation as Peters creek, and

18          WHEREAS, the creek that flows from the western hills above the Sammamish  
19          River valley, nearby the historic community referred to as "Willows" on federal maps,

20 and eventually into the Sammamish river, will be considered by the Board on Geographic  
21 Names for designation as Willows creek, and

22 WHEREAS, the creek that begins in Redmond's Hartman park flowing eventually  
23 into Bear creek, and runs through the historic Perrigo family homestead in Redmond, will  
24 be considered by the Board on Geographic Names for designation as Perrigo creek, and

25 WHEREAS, several of these creeks have been the focus of restoration efforts by  
26 the city of Redmond intended to improve their habitat and water quality values, and are  
27 currently used as habitat by Pacific salmon, trout, beaver, waterfowl and songbirds, and

28 WHEREAS, the proposed designations will assist in emphasizing the value of the  
29 respective waterways to the community, and in geographic referencing;

30 NOW, THEREFORE, BE IT MOVED by the Council of King County:

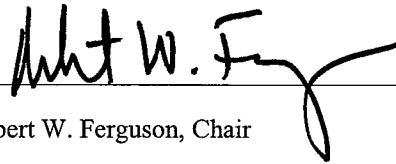

31 The council hereby indicates its support for the naming of the creeks referred to  
32 above as proposed in the respective applications currently before the Board on

- 33 Geographic Names as Clise creek, Idylwood creek, Peters creek, Willows creek and  
34 Perrigo creek.
