**Attachments:** A. Donation Agreement Between King County Parks and Foothills Trail Coalition

**Motion 16248****Attachment A****DONATION AGREEMENT BETWEEN KING COUNTY PARKS AND FOOTHILLS TRAIL COALITION**

This AGREEMENT (“Agreement”) is entered into by and between King County, a home rule charter county and political subdivision of the state of Washington, through its Department of Natural Resources and Parks, Parks and Recreation Division (“King County” or “Parks”), and Foothills Trail Coalition, a state of Washington non-profit, collectively referred to as the (“Parties”).

**BACKGROUND**

- A. The Foothills Trail is part of King County’s Regional Trail System, one of the nation’s most extensive multi-use trail networks with more than 175 miles of trails for recreation and non-motorized mobility and commuting.
- B. King County owns certain real property which contains a portion of King County's Foothills Trail to the north of and adjacent to the White River, and the City of Buckley owns certain real property which contains a portion of Pierce County’s Foothills Trail located south of and adjacent to the White River.
- C. The completed portions of King County’s Foothills Trail and the portion of Foothills Trail located in Pierce County remain separated by the White River. The lack of a safe pedestrian and cycling corridor between the surrounding communities’ presents certain health and safety risks and limits the ability of the communities to interact using non-motorized transportation methods. In order to address these issues, the Parties have determined that there is a need for construction, operation, and maintenance of a safe, non-motorized crossing of the White River and its adjacent portions of the recreational Foothills Trail (the “Project”).
- D. Pierce and King County have included this connection in their respective regional trail plans and recognize the benefit this connection would have for its citizens.
- E. King County, Enumclaw, Pierce County and Buckley conducted a feasibility study (White River Pedestrian Trail Feasibility Study Report – May 2008) which evaluated and selected a proposed alignment for a non-motorized bridge crossing of the White River.
- F. King County has previously secured a grant from the Washington Recreation and Conservation Office and is also using County levy monies, pursuant to King County Ordinance 17941, for most costs associated with the design and construction of the Project.
- G. After construction, King County will retain ownership of the Project improvements located on the City of Buckley’s Property in Pierce County. King County is ready, willing, and able to own, operate and maintain these improvements for use by the general public as a Regional Trail, for the benefit of both King County and Pierce County residents. Through this Agreement, King County will be able to make improvements to

the Foothills Trail, an invaluable asset to south King County, the City of Buckley, and Pierce County.

- H. Under K.C.C. 7.08.070, Parks has the authority to solicit gifts from individuals, foundations, not-for-profit organizations, and corporate sources.
- I. The Foothills Trail Coalition, a Washington non-profit, is pleased to donate fifty thousand (\$50,000) in funding, and the County is pleased to accept the donation, to construct the Bridge Project.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable considering, the receipt and sufficiency of which are hereby acknowledged, the County and Foothills Trail Coalition agree as follows:

## **1. FOOTHILLS TRAIL COALITION RESPONSIBILITIES**

The Donation funds will be transferred to Parks within 30 days of the construction contract being awarded.

## **2. PARKS RESPONSIBILITIES**

2.1 Parks agrees to complete the design, permitting, and construction of a pedestrian/non-motorized bridge across the White River to connect King County's Foothills Trail to Pierce County’s Foothills Trail.
