RE: RECONVEYANCE to King County of Marckworth Forest ATV Site  
File No. 6-6-189

Gentlemen:

Attached please find a motion requesting the reconveyance of the above referenced property.

Motion No. 2590, passed by the King County Council on July 12, 1976, authorizes the Parks Division to designate a park site for development in accordance with the ATV Action Plan. The Marckworth Forest site has been chosen for this purpose.

This property is presently held by the State of Washington as forest lands. The land was conveyed by King County to the State pursuant to RCW 76.12.030. RCW 76.12.020 enables the County to request a reconveyance of the land for park purposes.

The State of Washington has no established procedures for reconveying such lands. The attached motion, when passed by the King County Council and forwarded to the State, will constitute an application for the reconveyance of the aforementioned property. In addition to manifesting the County's intent to request the reconveyance, this motion will authorize the King County Executive to comply with any further statutory provisions necessary to effect the transfer.

These lands will be developed to provide motorcycle trails and support facilities. \$249,000 in ATV funds have been appropriated in the 1975 Capital Improvement Program for this purpose. It is the recommendation of this office that the attached motion be passed to commence the reconveyance of the subject property to King County for park purposes.

Very truly yours,
