RESOLUTION 963

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF SOUTHWEST SUBURBAN SEWER DISTRICT, KING COUNTY, WASHINGTON, ADOPTING PLAN OF ADDITIONS AND BETTEMENTS FOR THE WASTE WATER FACILITIES FOR THE SALMON CREEK AREA AND AMENDING THE COMPREHENSIVE PLAN TO PROVIDE THEREFOR AND FOR THE PROPOSED ANNEXATION OF THE AREA KNOWN AS 69-12.

WHEREAS, on September 24, 1953, the Board of Commissioners (hereinafter called "Board") of Southwest Suburban Sewer District (hereinafter called the "District"), King County, Washington, adopted Resolution No. 22, providing for a system of sanitary sewers for the District and calling a special election on November 10, 1953, for the submission to qualified electors of the District of the propositions of whether or not the District should issue its general obligation bonds in the principal sum of not to exceed \$750,000, and its sewer revenue bonds in the principal sum of not to exceed \$5,500,000, for the purpose of providing funds to pay the costs of carrying out said comprehensive plan; and

WHEREAS, at said election the voters of the District authorized the issuance of said general obligation bonds and sewer revenue bonds in the manner provided by law; and

WHEREAS, since September 24, 1953, the Board has adopted other resolutions listed hereinbelow adding to and amending said original comprehensive plan, and the Board, in the manner required by law, has authorized the issuance of additional sewer revenue bonds to pay the costs of constructing and installing the improvements authorized in said resolution; and

WHEREAS, the Board is considering the annexation to Southwest Suburban Sewer District of an area contiguous to the District known as 69-12 and the petitions for annexation have been certified to the District by its engineers; it is the desire of the District to annex said area, the boundaries which are set forth in Exhibit "A" attached hereto; and

WHEREAS, the District plans to amend its additions and betterments to the Salmon Creek Waste Water Facility to be implemented in two major projects: the first involves the upgrading of the Salmon Creek Treatment Plant to secondary treatment level to meet the requirements of the Federal Water Pollution Control Act amendments in 1972 and the State of Washington effluent limitations; the second major project involves the rehabilitation of the existing collection system in the Salmon Creek drainage basin and portions of the Seahurst Drainage areas, the specifics of said additions and betterments being set forth in Exhibit "B," "Salmon Creek Waste Water Facilities Plan," prepared for Southwest Suburban Sewer District by URS engineering company; and

WHEREAS, the estimated costs and funding for the Salmon Creek additions and betterments is \$4,801,600, with potential federal funding being 75% of this figure, or \$3,601,200, and potential state funding of 15% or \$720,200, and the District's share of 10% or \$480,200; and

WHEREAS, it is the desire of the District to amend its comprehensive plan to provide for the area known as 69-12, which area is in need of sewers and to improve and update its additions and betterments for the Salmon Creek Waste Water area; and

WHEREAS, the Board has been advised by the District's responsible environmental officer, Jerry Gleaves, that the District has complied with all relevant state and local environmental laws.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Board of Commissioners of Southwest Suburban Sewer District, King County, Washington, as follows:

1. That the general comprehensive plan of Southwest Suburban Sewer District, as adopted by Resolution No. 857, amending the District's

comprehensive plan, and as adopted by Resolutions No. 22, 66, 140, 140A, 204, 223, 269, 294, 304, 319, 346-A, 357, 360, 374-A, 383, 390, 409-A, 432, 433, 500, 519, 521, 525, 557, 559, 561, 627, 656, 677, 693, 711, 815, 838 and 846, is further amended by adding thereto the area proposed to be annexed and designated 69-12, which is legally described as set forth in Exhibit "A" attached hereto and made a part of this Resolution.

2. That the additions and betterments are implemented to include the improvements to the Salmon Creek Waste Water area, to provide improvements to the Salmon Creek Treatment Plan and Collection System as set forth in the Salmon Creek Waste Water Facility Plan set forth in Exhibit "B" and incorporated by reference herein, and said comprehensive plan is amended to provide for said improvements.

PASSED by The Board of Commissioners of Southwest Suburban Sewer District, King County, Washington, on the 18th day of April, 1978 at a regular meeting thereof.
