

ORDINANCE NO. 5597

AN ORDINANCE authorizing the transfer within Special Programs of \$8,691 from the Executive Contingency for the purposes of interim payment of residential street lighting charges in the area formerly served by Water District No. 61; amending Ordinance No. 5232, Section 42, as amended, and declaring an emergency.

PREAMBLE:

City Light has served notice on the residents of the area formerly served by Water District No. 61 that it will discontinue street lighting service at midnight on July 30, 1981; and King County is the municipal corporation required by law to assure that services essential to the public safety of the residents of the unincorporated areas of the County are provided and that the safety and welfare of such residents are not unreasonably endangered; and King County Council has determined that extinguishing the 700 street lights in the White Center area would present a clear and present danger to the safety and welfare of the area residents and persons traversing the area.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The Council hereby approves the transfer of \$8,691 from the Executive Contingency for use in paying residential street lighting charges for the area formerly served by Water District No. 61. Such charges shall be paid pursuant to the attached contract which limits payment to \$8,691 for the period August 1, 1981 to November 30, 1981. The County Executive is hereby authorized to sign the attached contract, which is by reference made a part of this ordinance.

Special Programs \$8,925,130

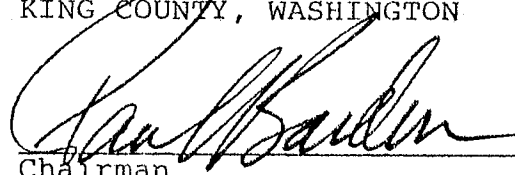

Included in Special Programs is an Executive Contingency of (~~(\$220,500)~~) \$211,817 which shall not be expended unless the County Executive certifies in writing that funds are available and requests the County Council adopt an additional appropriation ordinance; upon adoption, such funds may be expended for the purpose specified.

1 SECTION 3. The County Council finds as a fact and declares
2 that an emergency exists and that this ordinance is necessary for
