PREAMBLE:

King County Resolution No. 34569 (hereinafter "Resolution") was adopted by the Board of County Commissioners (now the King County Council under the King County Charter on December 18, 1967 and is commonly referred to as the Forward Thrust Arterial Highway Improvement Bond Resolution.

This Resolution was approved by the voters of King County on the 13th day of February, 1968. The voters authorized the issuance of General Obligation Bonds for the purpose of improving existing public arterial highway facilities or constructing new public arterial highway facilities all within King County by the various cities and towns in King County.

Arterial highway facilities as contemplated by the Resolution and defined therein mean public roads lawfully designated as arterials by the State of Washington and other appropriate governmental agencies. Projects described in Section 3 of the Resolution assigned to the cities of Renton and Tukwila provide that no projects are limited solely to the facilities listed and the funds are available for additional arterial highway facilities.

Paragraph FF of Section 3 of the Resolution provides for improvement of traffic control signals and street lighting served by underground wiring to be done within the incorporated limits of cities other than the City of Seattle.

Section 6 of the Resolution provides in part that if all projects which the local governmental agency has been authorized to accomplish have been completed or completion duly provided for, or their completion found to be impractical, such excess bond proceeds may be applied to carry out such other public arterial highway facilities purposes within the territory limits of the agency as may be determined by the legislative authority thereof and found by the Board of County Commissioners to be consistent with the purposes of the Resolution and to be a County purpose.

The Town of Clyde Hill on May 4, 1982 enacted Resolution No. 167 which Resolution finds that the completion of all street projects listed in King County Resolution No. 34569 Section

1 3-H has been duly provided for and has determined that in
 2 order to utilize bond proceeds for arterial highway purposes
 3 within the territorial limits of the City of Clyde Hill that
 the street project list must be expanded to-wit:

- 4 1. No. E. 14th Street from 98th Avenue N.E.

5 The City of Renton on August 14, 1978 enacted Resolution No.
 6 2205 which Resolution finds that there is a need to amend or
 7 modify the street project list in King County Resolution 34569
 Section 3-Y consistent with the provisions of Sections 5 and 6
 of that Resolution to-wit:

- 8 1. SR 515 Phase II (Puget Dr. S. to S. city limits).

9 The City of Renton on February 2, 1981 enacted Resolution No.
 10 2372 which Resolution finds that there is a need to amend or
 11 modify the street project list in King County Resolution 34569
 Section 3-Y consistent with the provisions of Sections 5 and 6
 of that Resolution to-wit:

- 12 1. S.W. Grady Way from Rainier Avenue South to West
 13 City Limit.

14 The City of Tukwila on April 6, 1981 enacted Resolution No.
 15 783 which Resolution finds that all street projects listed in
 16 King County Resolution No. 34569 Section 3-CC have been
 17 completed or duly provided for, and further finds that surplus
 funds exist in its account and therefore has determined that
 bond proceeds be applied to carry out the following arterial
 highway facilities purposes within the territorial limits of
 the City of Tukwila to-wit:

- 18 1. Southcenter Boulevard from Interstate Highway 5 to
 19 Interurban Avenue.

 25 to be consistent with the purposes of Resolution 34569 and are
 County purposes.
