PREAMBLE:

King County Resolution No. 34569 (hereinafter "Resolution") was adopted by the Board of County Commissioners (now the King County Council under the King County Charter) on December 18, 1967 and is commonly referred to as the Forward Thrust Arterial Highway Improvement Bond Resolution.

This Resolution was approved by the voters of King County on the 13th day of February, 1968. The voters authorized the issuance of General Obligation Bonds for the purpose of improving existing public arterial highway facilities all within King County by the various cities and towns in King County.

Arterial highway facilities as contemplated by the Resolution and defined therein mean public roads lawfully designated as arterials by the State of Washington and other appropriate governmental agencies. Projects described in Section 3 of the Resolution assigned to the city of Renton provides that no projects are limited solely to the facilities listed and the funds are available for additional arterial highway facilities.

Paragraph FF of Section 3 of the Resolution provides for improvement of traffic control signals and street lighting served by underground wiring to be done within the incorporated limits of cities other than the City of Seattle.

Section 6 of the Resolution provides in part that if all projects which the local governmental agency has been authorized to accomplish have been completed or completion duly provided for, or their completion found to be impractical, such excess bond proceeds may be applied to carry out such other public arterial highway facilities purposes within the territory limits of the agency as may be determined by the legislative authority thereof and found by the board of county commissioners to be consistent with the purposes of the Resolution and to be a county purpose.

The City of Renton on August 1, 1983 enacted Resolution No. 2522 which Resolution finds that there is a need to amend or modify the street project list in King County Resolution

1 34569 Section 3-Y consistent with the provisions of Sections 5 and  
2 6 of that Resolution to-wit:

- 3 1. N.E. 4th Street from Monroe Avenue N.E. to Union Avenue  
4 N.E.

5 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

6 NEW SECTION. SECTION 1. CONCLUSIONS. The King County coun-  
7 cil finds that the project described in the City of Renton  
8 Resolution No. 2522 is determined to be consistent with the pur-  
9 poses of Resolution 34569 and is a county purpose.

10 Resolution No. 2522 of the City of Renton, and the letter and  
11 attachments from the Renton Director of Public Works are attached  
12 hereto and made a part of this ordinance.

13 Based upon these conclusions the council hereby determines  
14 additional surplus bond proceeds are available to the City of  
15 Renton and further the council determines that the additional pro-  
16 ject can be accomplished which is consistent with Resolution 34569  
17 for a county purpose and therefore it is hereby specified,  
18 ratified and approved to expend such bond proceeds upon the  
19 following new designated project.

24 acquisition, construction, development and improvement of public  
25 arterial highway facilities generally described in this section is  
26 hereby adopted and shall be carried out by the designated govern-
