

ORDINANCE NO. 7046

AN ORDINANCE appropriating \$60,000 to the Asian Elephant House Construction project from unappropriated fund balance of Fund 337, Park Acquisition and Development; and amending Ordinance No. 6597, Section 77, Attachment No. 1, as amended.

PREAMBLE:

The King County Council recognizes that Woodland Park Zoo is truly a unique regional zoological facility. Seventy-two percent of the visitors to the zoo live outside the city of Seattle. It would be very costly to replace this facility in some other part of the county.

The county council wishes to acknowledge the educational and recreational value of this regional facility by financially supporting the new Asian Elephant Exhibit Area to be constructed at Woodland Park in the immediate future.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. There is hereby approved and adopted an appropriation of \$60,000 to C.I.P. Project No. 007082, Asian Elephant House Construction, from unappropriated fund balance of Fund 337, Park Acquisition and Development. These funds are designated for use in the construction of the new Asian Elephant House at the Woodland Park Zoo, and will be transferred to the city of Seattle upon Seattle's appropriation of C.I.P. construction funds for the new elephant exhibit.

SECTION 2. Ordinance No. 6597, Section 77, as amended, is hereby amended to read as follows:

Park Acquisition and Development (~~(\$2,728,297)~~) \$2,788,297.
