ORDINANCE NO. _____

AN ORDINANCE confirming the King County Road Improvement District No. 98 assessment roll for street lights within the plat of Seven Oaks Division No. 1 and levying assessment against the property within said district.

PREAMBLE:

A public hearing was held on January 7, 1985, pursuant to RCW 36.88.090, for the purpose of considering the assessment roll for King County Road Improvement District No. 98. Notice of said hearing was duly published and duly mailed to each property owner pursuant to the requirements of RCW 36.88.090. The council, sitting as a board of equalization for such purpose, considered said assessment roll and all timely filed written objections make to the conformation thereof.

98BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

Section 1: The council, sitting as a board of equalization and having made all revisions to the roll it deems necessary, hereby finds that the assessment roll for King County Road Improvement District No. 98 (hereinafter "RID 98") is just and equitable and that no assessment against any property within RID 98 is greater than the special benefits to be derived from the improvement made to such property. Accordingly, said assessment roll is hereby confirmed and the assessments set forth therein are hereby levied against each parcel of property described in said roll.

Section 2: The clerk of the council is hereby directed to place in the hands of the King County office of finance for collection the said RID. 98 assessment roll, bearing such revisions, if any as the council has made thereto. Upon such placement, the amount of each assessment set forth therein, together with any interest accrued from time to time thereon and any penalty imposed from time to time thereon, shall become a lien against the property so assessed. Said lien shall be paramount and superior to any other lien or encumbrance whatsoever, theretofore or thereafter created, except for a lien for general taxes.

Section 3: Upon receipt of the RID 98 assessment roll, the King County office of finance is hereby directed to publish notice at the time and in the manner required by RCW 36.88.270, stating that such assessments or any portion thereof may be paid without interest in the 30 days following first publication of such notice.

Section 4: The assessments shall be due and payable as follows:

The first annual maintenance assessment of \$26.25 assessed upon each lot within the assessment district, and confirmed by this ordinance shall be due and payable at any time within the thirty day period from the date of the first publication of the notice described herein in Section 3. Unpaid assessments after the thirty day period shall be declared delinquent. All delinquent accounts shall bear a penalty of ten percent per annum and said penalty shall be included and be a part of the assessment lien. Collection on delinquent accounts shall be enforced in the manner provided by law.

The second and succeeding annual maintenance assessment will be based on cost of maintenance and power charges of Puget Sound Power & Light Company and a King County public works administration fee. Prior to the second and each succeeding annual maintenance assessment, a budget for RID 98 will be submitted to the county executive for approval. Upon approval of the annual budget for RID 98, the second and each succeeding annual maintenance assessment shall be due and payable annually on the anniversary date of said publication date described herein. Past due annual assessments shall be declared delinquent. All delinquent accounts shall bear a penalty of ten percent per annum and said penalty shall be included and be a part of the assessment lien.
