ORDINANCE NO. _____

AN ORDINANCE related to water supply and fire protection issues in King County, and declaring Critical Water Supply Areas in King County pursuant to R.C.W. 70.116.040.

PREAMBLE:

In accordance with the provisions of R.C.W. 70.116.040 and W.A.C. 248-56-300 through 400, the County Executive has prepared a preliminary assessment on water supply and fire protection issues in King County which, among other things, proposed the designation of certain areas as critical water supply areas in King County.

As required, the preliminary assessment was submitted to the King County Council for acceptance. The council formally accepted the report and the recommendations pertaining to critical water supply areas by Motion 6407 on December 16, 1985.

Whereas state law requires that the county legislative authority declare critical water supply areas by legislative enactment, this ordinance supplements the motion accepting the report by formally declaring the critical water supply areas.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Pursuant to Chapter 70.116 R.C.W., the King County Council hereby declares the areas of South King County, Skyway, and Vashon as critical water supply areas (as preliminarily mapped in the Preliminary Assessment accepted by Motion 6407.) The county executive shall notify the Department of Social and Health Services, State of Washington, and form Water Utility Coordinating Committees pursuant to

7578

1 R.C.W. 70.116.040 for the purpose of preparing coordinated
2 water supply plans for the declared areas.

3 INTRODUCED AND READ for the first time this 16th day
