8 PREAMBLE:

9 King County Resolution No. 34569 (hereinafter  
10 "Resolution") was adopted by the Board of  
11 County Commissioners (now the King County  
12 Council under the King County Charter) on  
13 December 18, 1967, and is commonly referred to  
14 as the Forward Thrust Arterial Highway  
15 Improvement Bond Resolution.

14 This Resolution was approved by the voters of  
15 King County on the 13th day of February, 1968.  
16 The voters authorized the issuance of General  
17 Obligation Bonds for the purpose of improving  
18 existing public arterial highway facilities  
19 all within King County by the various cities  
20 and towns in King County.

18 Arterial highway facilities as contemplated by  
19 the Resolution and defined therein mean public  
20 roads lawfully designated as arterials by the  
21 state of Washington and other appropriate  
22 governmental agencies. Projects described in  
23 Section 3 of the Resolution assigned to the  
24 Town of Clyde Hill provide that no projects are  
25 limited solely to the facilities listed and the  
26 funds are available for additional arterial  
27 highway facilities.

23 Paragraph FF of Section 3 of the Resolution  
24 provides for improvement of traffic control  
25 signals and street lighting served by  
26 underground wiring to be done within the  
27 incorporated limits of cities other than the  
28 City of Seattle.

27 Section 6 of the Resolution provides in part  
28 that if all projects which the local  
29 governmental agency has been authorized to  
30 accomplish have been completed or completion  
31 duly provided for, or their completion found to  
32 be impractical, such excess bond proceeds may  
33 be applied to carry out such other public  
arterial highway facilities purposes within the  
territory limits of the agency as may be

determined by the legislative authority thereof and found by the board of county commissioners to be consistent with the purposes of the Resolution and to be a county purpose.

The Town of Clyde Hill on April 12, 1985 enacted Resolution No. 172 which Resolution finds that there is a need to amend or modify the street project list in King County Resolution 34569 Section 3-H consistent with the provisions of Sections 5 and 6 of that Resolution, to-wit:

- 1. Northeast 20th Street from 84th Avenue N.E. to 92nd Avenue N.E.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

NEW SECTION. SECTION 1. CONCLUSIONS.

A. The King County Council finds that the project described in the Town of Clyde Hill Resolution No. 172 is determined to be consistent with the purposes of Resolution 34569 and is a county purpose.

B. Resolution No. 172 of the Town of Clyde Hill, and the letter and attachments from the Clyde Hill Town Engineer, are attached hereto and made a part of this ordinance.

C. Based upon these conclusions the council hereby determines additional surplus bond proceeds are available to the Town of Clyde Hill and further the council determines that the additional project can be accomplished, which is consistent with Resolution 34569 for a county purpose, and therefore it is hereby specified, ratified and approved to expend such bond proceeds upon the following new designated project:
