ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE prohibiting construction of a trail in certain open space in the West Campus Area of Federal Way.

PREAMBLE:

The residents of Divisions 4 and 5 of the plat of West Campus are opposed to the construction of a trail in the open space tract of these plats which have been dedicated to King County.

A trail in this location does not contribute to any regional trail system, and therefore its elimination would not affect non-resident users of the trail.

Elimination of the trail does not violate any adopted community plans, the West Campus Master Plan, or any county plans for non-vehicular circulation.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The parks division is directed to cease its efforts to have a trail constructed in the dedicated open space in Divisions 4 and 5 of the plat of West Campus.

SECTION 2. Construction of any kind of trail in the open space tracts of Divisions 4 and 5 of the plat of West Campus is hereby prohibited.

INTRODUCED AND READ for the first time this 6th day of October, 1986.
